Designed for efficiency and portability while complying with the record book requirements faced by Texas Notary Publics. Notary Signing Agent work often involves meeting with 1 or 2 signers and notarizing several forms. Traditional notary journal/record books are not designed for this and involve lots of writing. They are also large and bulky for mobile notaries. This record book is designed to be easier to work with and is pre-populated with the most common documents notarized at a loan signing.

The Department of Licensing has worked to keep the notary public application process as simple as possible. A prospective notary need only submit a complete application, proof of a \$10,000 surety bond, and appropriate fees to the Department of

## Read Book Notary Public Record Book Notary Log

Licensing in order to begin the process. Once an applicant has completed all application requirements and proven that he or she is eligible, the Department will have a new certificate of commission mailed out promptly. New in 2018, notaries public can also apply for an electronic records notary public endorsement, which allows the notary to perform notarial acts on electronic documents as well as paper documents. The application process is similar to the application process for the commission, and can be done at the same time or separately.
