who was in the

This book
investigates the
potential role
that states can
play in
cosmopolitan
thinking and how
states could be

Where To Download

agents for the advancement of cosmopolitan responsibilities.

In doing so the book seeks to investigate the possibility that states can become bearers of cosmopolitan responsibilities across a variety of areas

Selling British
Columbia is an
entertaining
examination of
the development
of the tourist
industry in
British Columbia
between 1890 and
1970. Michael
Dawson argues

Where To Download

that in order to understand the roots of the fully-fledged consumer culture that emerged in Canada after the Second World War, it is necessary to understand the connections between the 1930s, 1940s,

Where To Download

and the postwar era. Cultural producers such as tourism promoters and the state infrastructure played important roles in fostering consumer demand, particularly during the Depression, the

Where To Download

Second World
War, and
throughout the
postwar era.

Dawson draws
upon promotional
pamphlets,
newspapers,
advertisements,
and films, as
well as archival
sources
regarding
government,

Where To Download

civic, and
international
tourism
organizations.
Central to his
book is an
examination of
the
representation
of popular
imagery and of
how aboriginal
and British
cultures were

Where To Download

commodified and marketed to potential tourists. He also looks at the gendered aspect of these promotional campaigns, particularly during the 1940s, and challenges earlier

Where To Download

interpretations
regarding the
relationship
between tourism
and nature in
Canada.

Historians have
tended to focus
on either the
first wave of
consumerism from
the 1880s to the
1920s, or else
on the era of

Where To

November

expansion that
followed World
War Two. As

Dawson shows,
the 1930-45

period in
particular was
an important and
dynamic one in
the creation of
Canadian and
British
Columbian

consumer

culture. Michael
Dawson's highly
readable and

engaging account
of the

development of
the British

industry will be
welcomed by

historians, as well as other scholars of tourism and consumerism.

As the oldest and favorite daughter of Thomas Jefferson, Martha "Patsy" Jefferson Randolph

Where To Download

(1772-1836) was extremely well educated, traveled in the circles of presidents and aristocrats, and was known on two continents for her particular grace and sincerity. Yet, as mistress of a large household,

Where To Download

she was not spared the tedium, frustration, and great sorrow that most women of her time faced. Though Patsy's name is familiar because of her famous father, Cynthia Kierner is the first historian

Following her
