"A Pulitzer Prize finalist presents the rare and intimate narrative of a daring national security sting designed to protect US soldiers, sailors, and pilots from the greatest danger they face on the battlefield--an enemy equipped with American-made weapons and technology. In Operation Shakespeare, investigative journalist John Shiffman traces an audacious and high-risk undercover operation--from Philadelphia to Shiraz to London to Beverly Hills to Tbilisi and Dubai. The sting is launched by an elite undercover Homeland Security unit created to stop the Iranians, Russians, Chinese, Pakistanis, and North Koreans from acquiring sophisticated American-made electronics capable of

guiding missiles, jamming radar, and triggering countless weapons--from wireless IEDs to nuclear bombs. The US agents must outwit not only enemy brokers, but American manufacturers and global bankers too willing to put profit over national security. The three-year sting in Operation Shakespeare climaxes when the US agents lure the Iranian broker to a former Soviet republic with the promise of American-made radar, fighter-jet and missile components, then secretly drag him back to the United States, where he is held in secret for two years. The laptop the Iranian carries into the sting provides the CIA with a treasure trove, a virtual roadmap to Tehran's clandestine effort to obtain US military technology. Tenacious, richly detailed, broad in scope, and emotionally

was able to perpetuate a great ruse on the Nazi Machine.

In the winter of 1795, a frustrated young writer named William Henry Ireland stood petrified in his father's study as two of England's most esteemed scholars interrogated him about a tattered piece of paper that he claimed to have found in an old trunk. It was a note from William Shakespeare. Or was it? In the months that followed, Ireland produced a torrent of Shakespearean fabrications: letters, poetry, drawings—even an original full-length play that would be hailed as the Bard's lost masterpiece and staged at the Drury Lane Theatre. The documents were forensically implausible, but the people who inspected them ached to see first hand what had flowed from Shakespeare's

quill. And so they did. This dramatic and improbable story of Shakespeare's teenaged double takes us to eighteenth century London and brings us face-to-face with history's most audacious forger.

Without William Shakespeare, we wouldn't have literary masterpieces like Romeo and Juliet. But without Henry Condell and John Heminges, we would have lost half of Shakespeare's plays forever! After the death of their friend and mentor, the two actors are determined to compile the First Folio and preserve the words that shaped their lives. They'll just have to borrow, beg, and band together to get it done. Amidst the noise and color of Elizabethan London, THE BOOK OF WILL finds an unforgettable true story of love, loss,

and laughter, and sheds new light on a man you may think you know.

Copyright is by no means the only device for asserting ownership of a work. Some writers, including playwrights in the early modern period, did not even view print copyright as the most important of their authorial rights. A rich vein of recent scholarship has examined the interaction between royal monopolies, which have been identified with later notions of intrinsic authorial ownership, and the internal copy registration practices of the English book trades. Yet this dialogue was but one part of a still more complicated conversation in early modern England, James J. Marino argues; other customs and other sets of professional demands were at least as important,

Download Free Operation Shakespeare The True

most strikingly in the exercise of the performance rights of plays. In *Owning William Shakespeare* James Marino explores the actors' system of intellectual property as something fundamentally different from the property regimes exercised by the London printers or the royal monopolists. Focusing on *Hamlet*, *The Taming of the Shrew*, *King Lear*, and other works, he demonstrates how Shakespeare's acting company asserted ownership of its plays through intense rewriting combined with progressively insistent attribution to Shakespeare. The familiar versions of these plays were created through ongoing revision in the theater, a process that did not necessarily begin with Shakespeare's original manuscript or end when he died. An ascription by the company of

Download Free Operation Shakespeare The True

any play to "Shakespeare" did not imply that it was following a fixed, authorial text; rather, Marino writes, it indicates an attempt to maintain exclusive control over a set of open-ended, theatrically revised scripts. Combining theater history, textual studies, and literary theory, *Owning William Shakespeare* rethinks both the way Shakespeare's plays were created and the way they came to be known as his. It overturns a century of scholarship aimed at re-creating the playwright's lost manuscripts, focusing instead on the way the plays continued to live and grow onstage.

Nebula and World Fantasy Award
Finalist: A fantastic tale of intrigue,
love, war, magic, and swashbuckling
adventure set in an alternate universe
where fairies mingle freely with
Englishmen and all of Shakespeare ' s
fictional characters are real Welcome
to an alternate civil-war-torn
seventeenth-century England—a
world where Hamlet once brooded
and Othello jealously raged. Here
faeries and sprites gambol in English
woods, railroads race across the
landscape while manned balloons
float above the countryside, and the
most respected historian of all is one
William Shakespeare of Stratford-
upon-Avon. The year is 1644, and the
war between the Roundheads and the
Cavaliers rages. When Rupert, nephew

to find each other again . . . as long as their love remains true. Nominated for the World Fantasy Award and winner of the Mythopoeic Award, Poul Anderson ' s A Midsummer Tempest is a titanic achievement—a delightful alternate-history fantasy that brings the fictional worlds of Shakespeare ' s plays to breathtaking life with style, wit, and unparalleled imagination.

Everyone knows that William Shakespeare is famous for having a way with words and creating characters such as Romeo and murderous Macbeth. But in this Horribly Famous title, readers can find out everything they didn't know, including how he did a seven-year vanishing act and how he nearly had his head chopped off by Queen Elizabeth I!
