'The Devil' isn't proposed to be a horned creature, but a part of the human psyche. With that established, it's the claim is that the person (Napolean in this case) is speaking with the detrimental part of his consciousness. This book raises those detriments and how we can become slaves to the habits which it imposes.

Napoleon Hill's Outwitting the Devil The Secret to Freedom and Success Secrets from the Vault, Written in 1938, Revealed Today An Official Publication of The Napoleon Hill Foundation "Napoleon Hill was one of America's great, influential thinkers who continues to have an enormous impact today." --Steve Forbes, editor-in-chief of Forbes magazine Bestselling author Napoleon Hill reveals the seven principles of good that allow us to triumph over obstacles . . . and find success. Using his legendary ability to get to the root of human potential, Napoleon Hill digs deep to reveal how fear, procrastination, anger, and jealousy prevent us from realizing our personal goals. This long-suppressed parable, once considered too controversial to publish, was written by Hill in 1938 following the publication of his classic bestseller, Think and Grow Rich. Annotated and edited for a contemporary audience by Rich Dad, Poor Dad and Three Feet from Gold coauthor Sharon Lechter, this book--now available in paper--is profound, powerful, resonant, and rich with insight.

Originally written in 1938 but never published due to its controversial nature, an insightful guide reveals the seven principles of good that will allow anyone to triumph over the obstacles that must be faced in reaching personal goals.

Following the success of his 1937 landmark bestseller, Think and Grow Rich, Napoleon Hill wrote Outwitting the Devil, an exposé on the methods the Devil uses to ensare and control the minds of human

beings. Exploring the innermost depths of the psychology of motivation to understand why so many individuals, including himself, cannot find the initiative and courage they need to consistently implement the philosophy of individual achievement, Hill went so far as to interview the Devil himself. The resulting confession from the Devil made this book so controversial as to remain unpublished for over 70 years. Now it is your turn to break the Devil's code and free yourself from the hidden methods of control that lead to ruin. In this reproduction of the complete text of Hill's original manuscript is laid out the exact nature of the power by which the Devil disarms human beings with fear, procrastination, anger, and jealousy so that they do not reach their full potential. This is the same power that paralyzed millions of individuals with fear and despondency during the Great Depression and continues to hold people back from their dreams. Complacency and mediocrity are not the root issue; they are symptoms of deeper ills that we are conditioned by society to accept. But you must open your mind to acquire knowledge and consider facts that might not harmonize with your personal beliefs in order to access a greater truth that will, as Hill said in his original preface, "bring harmony out of chaos in this age of frustration and fear." If you have been the victim of lost courage, weakened enthusiasm, and lack of self-discipline—if you are demoralized and plagued by fear, anxiety, overwhelm, or apathy—the seven principles to freedom detailed in this book herald your redemption. You will finally become independent of the causes of failure and misery, break the bonds of destructive habits, and unlock the secret of a natural law as significant as the law of gravity so that you can outwit the devil once and for all.

Following the success of his 1937 landmark bestseller, *Think and Grow Rich*, Napoleon Hill wrote *Outwitting the Devil*, an exposé on the methods the Devil uses to ensnare and control the minds of human beings. Exploring the innermost depths of the psychology of motivation to understand why so many individuals, including himself, cannot find the initiative and courage they need to consistently implement the philosophy of individual achievement, Hill went so far as to interview the Devil himself. The resulting confession from the Devil made this book so controversial as to remain unpublished for over 70 years. Now it is your turn to break the Devil's code and free yourself from the hidden methods of control that lead to ruin. In this reproduction of the complete text of Hill's original manuscript is laid out the exact nature of the power by which the Devil disarms human beings with fear, procrastination, anger, and jealousy so that they do not reach their full potential. This is the same power that paralyzed millions of individuals with fear and despondency during the Great Depression and continues to hold people back from their dreams. Complacency and mediocrity are not the root issue; they are symptoms of deeper ills that we are conditioned by society to accept. But you must open your mind to acquire knowledge and consider facts that might not harmonize with your personal beliefs in order to access a greater truth that will, as Hill said in his original preface, "bring harmony out of chaos in this age of frustration and fear." You will finally become independent of the causes of failure and misery, break the bonds of destructive habits, and unlock the secret of a natural law as significant as the law of gravity so that you can outwit the devil once and for all.

Originally written in 1938 but never published due to its controversial nature, an insightful guide reveals the seven principles of good that will allow anyone to triumph over the obstacles that must be faced in reaching personal goals.

Do you want more free books like this? Download our app for free at <https://www.QuickRead.com/App> and get access to hundreds of free book and audiobook summaries. Reaching out from the era of the Great Depression to offer a message of hope through the power of positive thinking, *Outwitting the Devil* asks you to imagine what you could accomplish if you relinquished fear and self-doubt. Although it was originally written in 1938, Napoleon Hill's breakthrough self-help book, *Outwitting the Devil* was lost to the world until 2011 due to censorship. Outlining Hill's personal views on the toxicity of church and standardized education alike, *Outwitting the Devil* encourages readers to break free of the fears that may be fostered by education and religion to achieve personal success and embrace the life lessons taught by failure.

Napoleon Hill wrote this book in 1938, just after publication of his all-time bestseller, *Think and Grow Rich*. This powerful tale has never been published, considered too controversial by his family and friends. Using his legendary ability to get to the root of human potential, Napoleon Hill digs deep to identify the greatest obstacles we face in reaching personal goals: fear, procrastination, anger and jealousy, as tools of the Devil. These hidden methods of control can lead us to ruin and Hill reveals the seven principles of good that will allow us to triumph over them and succeed. Annotated and edited for a contemporary audience by Three Feet from Gold co-author Sharon Lechter, this book is profound, powerful, resonant and rich with insight.

Takes a fresh look at the theme of Napoleon Hill's *Think and Grow Rich* and presents a new fable with a young writer setting out to interview business leaders and other influential figures about the importance of persistence.

Regain control over your own mind and conquer, once and for all, the negative influences in your environment with Napoleon Hill's *Outwitting the Devil* Action Guide. After publishing his all-time bestseller *Think and Grow Rich*, Hill found himself plagued by indecision and unable to fully implement his own success principles. Forced to consult the Devil to understand the larger forces at work upon an individual, Hill discovered the greatest of all principles—a natural law that grants or denies humans spiritual and economic freedom, depending on how they use their mind. What emerges is an achievement philosophy that challenges the accepted wisdom of civilization and identifies independence of thought and harmonious relationships as the secret to freedom and success. Hill recorded his interview with darkness in *Outwitting the Devil*, which remained unpublished for 70 years later because of its controversial ideas. Truth is often embedded in stories we don't want to hear. The Devil won for a span of time, but the victory is no longer his. The keys to freedom of thought and abundance—in all domains of life—are now available to you. This summary and action guide equips you to chart your own path to self-determination using Hill's discoveries as your roadmap. The book is organized into 20 core success concepts whose mastery will help you harness the power of your thoughts and make nature's greatest law work in your favor. Although suitable for individual study, readers will find the most benefit from discussing the principles in the context of a study group or book club. So, clear your mind of preconceived notions and dominant societal narratives, and prepare yourself to be taken on a journey of self-discovery that will restore power over your mind so that you can make life pay off on your own terms.

Outwitting the Devil is a book that was written by Napoleon Hill in 1938. The book is an interview between Hill (Mr. Earthbound) and The Devil (Your Majesty). Hill uncovers the secrets to freedom and success by evaluating the greatest obstacles that humans face in order to attain their personal goals in life. During the book, (Mr. Earthbound) interrogates The Devil, Your Majesty, to find out how people limit their success and how The Devil achieves his manipulation. Some of the topics that are discussed are: The difference between drifters and non-drifters Maintaining a definiteness of purpose Finding one's other self Hill's seven principles The law of hypnotic rhythm
