Let #1 New York Times bestselling author Debbie Macomber take you back again into the HEART OF TEXAS, in this classic western romance for your keeper shelf! In Promise, Texas, people know what really matters—family, friends, community. And they know that love gives meaning to every day of their lives.... Some of the people in Promise are from old ranching families—like the Westons and Pattersons—folks who arrived in the Hill Country more than a century ago. And then there are newcomers like Annie Applegate, who opens a bookstore in town. Some might say Annie does things backward. She marries a widowed veterinarian for the sake of his kids...and discovers that marriage can lead to love. In Promise, everyone's life is a story! The people here, like people everywhere, experience tragedies as well as triumphs, sorrow as well as joy. This town, like towns everywhere, has its share of secrets. But whether times are good or bad, you're never alone in a place like Promise. And as Annie Applegate knows, that makes all the difference. Originally published in 1999

There are the fabled urban myths of lesbians who fill up a U-Haul on the second date and lead sweetly romantic lives of cocoa and comfy slippers. Safe and sound. A lot of cozy and not much crazy. These are NOT those stories- these are wild women with dirty minds, untamed tongues, and even the occasional cuff or clamp. A lotta crazy and no cozy slippers to be seen. These Wild Girls tell stories of their own Wild Nights (and days,) memories too hot to keep undercover. Real women with real needs and overwhelming desires find the courage to reveal intimate, unrestrained details of their sex lives, the need to share their stories second only to the urgent impulses that drove the action in the first place. There are first times, life-long commitments, and fleeting encounters to savor for a lifetime. Tenderness merges with edge-play; scenes shift from Caribbean islands to desert battlefields to the ultimate privacy of home; and the writers range from well-known names to newcomers driven to share fresh memories they'll never forget. In Evan Mora's "The Insatiable Travel Itch," repression in public drives her wild. "Transported, transplanted, we are transgressors. And it makes me fucking wet." Angel Propps struggles to face her deepest desires. "The word Daddy had a familiar shape on my tongue, but not in my head, and for one second I was sure I was going to Hell—and then I came." She'd found, of course, "The Daddy I Didn't Know I Needed." Anna Watson, in "Tamago," gives a poignant and sizzling view of being a lesbian femme who loves butches. "I know being femme is what makes the breath blow out of me when she calls and says, 'Babe, I just wanted you to know that I was driving along here, thinking about your breasts.'" Reality doesn't have to be prosaic. Real sex can be wet, messy, frenzied, sometimes even awkward, but never boring. With these writers and seventeen more, "Wild Girls, Wild Nights: True Lesbian Sex Stories" is the proof of that.

Maybe one of the hidden benefits of everyone being so darn busy is the rise of the quickie! No one writes fresh fiction on quick sex better than Alison Tyler who has probably inspired more time-efficient trysts than any other eroticist. Whether at the office with your boss, in a restaurant restroom or naughty nooners with your long-time love, Tyler's Sudden Sex will have you dialing up a booty call stat! Alison Tyler says: "My favorite short stories brand new. Crisp and focused, taut and tight. The pieces in this collection are waiting for you to slide them on, button the fly, then turn and admire how well they fit your kink. Because—as everyone who knows me understands by now—I'm all about the kink. This collection features BDSM, spanking, toys, tools, girls gone bad and men who need it just as bad. I've assembled stories from writers I've worked with for nearly two decades as well as wordsmiths who are new to me. What do the pieces have in common? Each one maxes out at 1500 words. That's not a lot of small talk. We've cut the awkward getting to know you phase and instead parked you right up at the point. We're past first base, past second, on our way to third. His hand is under your skirt; her palm is on your cock—we're all adults here—no need to fight the fact that sometimes what we crave is simple: sudden sex." Take a breath. Bite your lip. Get ready to get off.

Chosen as one of Goodreads' 21 Big Books of Fall They said she was going to be my ruin... Then let her ruin me. Caleb Lockhart has everything—wealth, adoration, a brilliant future. Until a chance encounter with a siren in a red dress changes everything. Until he meets the woman he dubs Red. Veronica Strafford's past makes it hard for her to trust anyone. Now, kicked out of her apartment, she reluctantly accepts Caleb's offer for a place to stay. Caleb feels intensely drawn to Veronica. And, for the first time in his life, he really wants something—someone. Too bad Veronica's heart might just be the one thing Caleb can't win. Chasing Red Duology: Chasing Red (Book 1) Always Red (Book 2) Praise for Chasing Red: "Chasing Red is a perfectly sweet romance, with just the right amount of spice." —Foreword Reviews "Readers will be chomping at the bit while waiting for the next installment!" —RT Book Reviews "Readers will swoon over Caleb." —Publishers Weekly

Daphne is the last person Jessica wants to work with on the Write-a-Book project, but her feelings change when she gets to know Daphne and stumbles on her terrible secret.

Oranges Are Not the Only Fruit, Jeanette Winterson's delectable first novel, announced the arrival of 'a fresh voice with a mind behind it,' as Muriel Spark has written. 'She is a master of her material, a writer in whom great talent deeply abides'—and her reputation and accomplishment have grown with each of her five subsequent novels. Now, with her first collection—seventeen stories that span her entire career—Jeanette Winterson reveals all the facets of her extraordinary imagination. Whether transporting us to bizarre new geographies—a world where sleep is illegal, an island of diamonds where the rich wear jewelry made of coal—or revealing so perfectly, so exactly, the joy and pain of owning a brand-new dog, she proves herself a master of the short form. For her readers, a celebration—and for everyone else, a wonderful introduction to this highly original and consistently daring writer, who has become 'one of our most brilliant, visionary storytellers' (San Francisco Chronicle)

The spectacular bestseller from the author of VALLEY OF THE DOLLS. Once upon a time, the entertainment industry was a world that never slept. Magazine editors, models, pop stars and all the rest visited "vitamin doctors" to get the shots that would allow them to stay up all night and then work all day—in offices decorated with beanbag chairs and Calderesque mobiles... In this world, January Wayne goes from poor-little-rich-girl to grown-up swinger, as she searches New York and Los Angeles for a guy just like Mike Wayne, the glamorous movie producer, who also happens to be her father... "SPECTACULARLY SUCCESSFUL. There are plane crashes, drug orgies, motorcycle accidents, mass rapes, attempted abortions, suicide, evil doctors and other assorted activities; and I couldn't put the damned thing down." —Library Journal "[Susann's] pulp poetry resonates to this day. WITH HER FORMULA OF SEX, DRUGS, AND SHOW BUSINESS, Susann didn't so much capture the tenor of her times as she did predict the Zeitgeist of ours."—Detour
