Pearson Science New South Wales 8 EAL/D Activity Book is unique, as Pearson Science New South Wales the only series with an EAL/D (English as an Additional Language or Dialect) Activity Book. The extra support in the EAL/D Activity Books has been written by specialist EAL/D teachers to support learner diversity in the classroom. The EAL/D Activity Book can be used instead of, or in addition to, the standard Activity Book. The extra support includes: language builder support for each chapter, simplified questions, key terms defined using text and pictorial explanations, as well as scaffolds and hints, to build confidence and sense of completion for tasks. The Pearson Science New South Wales series will not only save you time in implementing the New South Wales Syllabus for the Australian Curriculum, but it's the only series that really engages your students. The series includes content and activities presented within the context of the three New South Wales Syllabus strands: Knowledge and Understanding, Working Scientifically and Learning Across the Curriculum. Content identified as 'Additional' in the New South Wales syllabus has been clearly differentiated from core content and is carefully placed in the flow of content.

PEARSON SCIENCE covers the three strands of Science Inquiry Skills, Science as a Human Endeavour and Science Understanding with both interactive multimedia and books to engage students and teachers.
