Does university seem like another planet? Does everyone else seem to speak another language? What can you do to make the grade? If these are the kind of questions you are asking, then this is the book you need. After the excitement of being accepted, the reality of life at university or college can be daunting, but help is at hand. This practical book guides new students through the terminology used at university and shows you: what a student needs to know how to be accepted by students and lecturers how to get the best out of your institution and yourself how to communicate using appropriate language in higher education institutions how to learn the conventions of your specific subject area how to be confident and competent in your new world All new students find the move to university slightly bewildering, but with this book you can be one step ahead. The author has spent time talking to students across a broad range of different universities and uses her first-hand experience as a basis for the book. Understanding University provides a lifeline for new students in further and higher education offering everything from practical advice on studying, to explanations of frequently used terms. If you don't know the difference between a seminar and a tutorial or want to know what 'matriculation' means, then this is where to start. Need a little assistance? Just open this book. And remember - you are not alone.

Between the covers of Kingdom Planet read about the extraordinary events that surface within the functions of a major worldwide chemical corporation. The diabolical plot of the firm that is actually run by Satan's soldiers, will astound and challenge your thinking regarding workplace realities.

In the last few years, God has been sending messages to the world. The messages included every aspect of our living - salvation, worship, marriage, daily living. Those messages have included: God Chasers (Tommy Tenney), The Prayer of Jabez and Secrets of the Vine (Bruce Wilkinson), The Passion of the Christ (Mel Gibson), The Rebirth of Kirk Franklin (Kirk Franklin), Purpose-Driven Life (Rick Warren), Flywheel, Facing the Giants and Fireproof (Sherwood Church), Woman Thou Art Loosed, Spellbreaker (TD Jakes), Jesus (Shekinah Glory) and now The Book of Eli. God has used everyone from the conservative to the Charismatic to the Catholic to the cavalier to get His message across. So that we are without excuse.

Beneath dense gray clouds through which no sun shone lay a forgotten planet. It was a nightmare world of grotesque and terrifying animal-plant life. Gigantic beetles, spiders, bugs and ants filled the putrid, musty earth - ready to kill and devour anything in sight. There were men amidst this horror - men who cringed and ran from the ravening monsters and huddled in the mushroom forests at night. Burl was one of these creatures. But one day inspiration hit Burl. He would find a weapon - he would fight back. And with this idea the first step was taken in man's most desperate flight for freedom in this most horrible of all worlds. But it was only a first step.

"I'm breathless! This journey through "The Book of Gardens" touched me so deeply. Day after day I was bathed by the words. I was comforted and confronted. I was overwhelmed by curiosity and calm, urgent intellectual stimulation and an emotional embrace. I am in awe of Phil's ability to lead me one step at a time as if he were holding my hand and pushing me at the same time... I'm full to the brim, shaken up, like love, at a stand-still with gratitude." - Maggie Merritt Nevada USA - "The passion and beautifully crafted language unites the subjects of I-Ching, meditation, economy, and ecology. I emerged with renewed excitement for meditation, and a deepened understanding of the choices we face for humanity to survive on this world." - Nicolas Albright Nelson Canada - A practical manual for decision making, The Book of Gardens includes a summary of how to use the I-Ching and learn Mindfulness Meditation. Amid the Changes upon us all today, what direction will you take?

Why should you buy this book for your child? Well, it contains carefully picked information and then presents that in a way that attracts a child. The inclusion of cool photos increase the efficiency of this book as a tool for learning. So what are you waiting for? Encourage your child to learn about the cosmos today!

You can't afford not to have this book! This book will save you money while improving your health and the planet's. It presents science-based solutions: knowledge and daily habits that reduce your adverse impact on the planet and at the same time help you gain the satisfaction of knowing you're doing the right thing. Most people feel overwhelmed with information, sometimes contradictory, about what is healthy, or good for the planet, and what is not. This is due to what is known as 'greenwashing', which is nothing else but marketing campaigns to make people believe that a product is eco-friendly, including misleading information on labels, to increase sales. This will be your guide to making well-informed decisions. This book presents science-based solutions: save energy, gasoline, water, resources, learn how to select safe cosmetics, safe hygiene and cleaning products, reduce, buy socially responsible merchandise, be happy and sleep with peace of mind knowing you have the power to make informed decisions. This book includes many references to science peer-reviewed journals but it's written in a simple, easy to understand language.

A reference for serious eco-friendly consumers explains how to discern between products that are actually green and ones that are only reflecting trendy designs, in a guide that lists specific names, reveals what and what not to buy, and lists safe alternatives for everyday needs. Original.

Soul Consciousness and Purpose looks at the many areas that one's physical and spiritual life all play a big part in the evolving nature of your soul's consciousness, which is connected to your life missions and purposes. The more enlightened you become and the more you raise your soul consciousness, then the less strain experienced as you navigate through the treacherous waters of the practical world. Your vibration is made up of undetectable cells to the human eye, but visible to the spiritual eye. It is an invisible energy field that exists within your soul's aura and physical body. These cells fluctuate and change colors depending on your mood, your thought processes, your actions, who you surround yourself with, as well as what you ingest into your body. You are in control of this vibration energy field able to oversee and dictate how well you would like it to function through your life choices. A raised soul consciousness gives you wider psychic perception that allows room for stronger cognitive input. This is the area where divinely guided information from above falls into and is planted. Some of the topics discussed include opening the pathway to divinity, knowing when your soul is transforming and evolving, awakening your creative consciousness, soul contracts, life purposes, healing and transformation, soul groups and earth angels, the earthly birth, the soul and spirit, the higher self, soul growth through grief, soul growth through health issues, soul growth through relationships, soul growth through work and career, soul growth through superficiality, soul growth through emotional healing, the human influences on the soul consciousness, and much more! Let more Light into your soul's life with the Metaphysical Divine Wisdom collection of books. Each cover a variety of distinctive themes connected to the spiritual and the practical interwoven and back around again. The Metaphysical Divine Wisdom practical motivational guide to spirituality series of books include Psychic Spirit Team Heaven Communication, Soul Consciousness and Purpose, Manifesting Fearless Assertive Confidence, Balancing the Body, Mind, and Soul, Increasing Prayer with Faith for an Abundant Life, and Universal, Physical, Spiritual and Soul Love.
