Put your best hoof forward. Combining the irresistible sweetness of the Pocket Pigs of Pennywell Farm with words of wisdom about embracing all that life has to offer, It’s the Little Things is a book filled to the brim with inspirational mantras and adorable animal appreciation. On spread after spread we see heart-melting, full-color images of these mini pigs-lounging on tiny beach chairs, getting creative with paint, nuzzling with other farm animals, popping out of flower bushes-paired with their favorite words on creativity and fearlessness and relishing all of the small things that make life great. Small in stature but mighty in joy, here are the Pocket Pigs to remind us in the most playful and unassuming way to be grateful, stay curious, and keep ourselves open to the magic of life.

The “irresistible” New York Times bestseller that “features heartwarming stories of interspecies love and adorable photographs” (The New York Times Book Review). Written by National Geographic magazine writer Jennifer Holland, Unlikely Friendships documents one heartwarming tale after another of animals who, with nothing else in common, bond in the most unexpected ways. A cat and a bird. A mare and a fawn. An elephant and a sheep. A snake and a hamster. The well-documented stories of Koko the gorilla and All Ball the kitten; and the hippo Owen and the tortoise Mzee. And almost inexplicable stories of predators befriending prey—an Indian leopard slips into a village every night to sleep with a calf. A lionness mothers a baby oryx. Holland narrates the details and arc of each story, and offers insights into why—how the young leopard, probably motherless, sought maternal comfort with the calf, and how a baby oryx inspired the same mothering instinct in the lionness. Or, in the story of Cashew, the lab mix that was losing his eyesight, and Libby, the stray cat who began to guide the dog’s way through the house and yard. With Libby, Cashew lived out his last few years with loving support and a lasting friendship. These are the most amazing friendships between species, collected from around the world and documented in a selection of full-color candid photographs. “The feel-good book of the summer—maybe the year—may very well be Unlikely Friendships.” –USA Today “With aww-inducing photographs, the book highlights the most improbable animal connections.” –National Geographic

Could there be a cuter way to learn colors and numbers? Announcing a new line of board books featuring the irresistible Teacup Pigs of Pennywell Farm. Small enough to hold in the palm of your hand, the Pennywell pigs are an adorable lot. Theyre also naturals in front of the cameraespecially the camera belonging to Richard Austin who, as their exclusive photographer, knows just how to capture their big personalities. The Pocket Piggies board books marry the inherent appeal of Teacup Pigs to the sweetness of the board book format. The photographs are full-color, full-page, and up-close. The subjects are classics: On each spread of Pocket Piggies Colors!, one of the beloved piggy models is paired with an object or animal of a different colorlike a little piggy holding a red guitar or checking out a yellow chick.

This is a reprint of the original Dick and Jane book published in 1930 as one of the Elson-Gray Readers. This book was published by William H. Elson (1856-1935) and Willlam S. Gray (1885-1960). It was a revised version of the series of Elson Readers that were being published by 1909. Before the Elston Readers there were the McGuffey Readers starting in 1881. The McGuffey Readers showed a picture of a cat chasing a rat with the sentence "The Cat and the Rat Ran." These readers were used universally in schools for 40 years. The Elston Readers starting in 1909 had more of a story line and avoided unpleasant but realistic pictures of cats eating rats. It had a short list of repeatable words. This was a series of readers with different stories for different grade levels. Dick and Jane were just two of the characters but they were the ones who seemed to catch on. However, other stories became famous such as "The Little Engine that Could."

Back on the farm, the pigs are restless, and pissed. Smoking, pork-eating, overweight and without any s**t to roll in, these pigs aren't your cuddly, oinking kind of farmyard brother. They are mean and they are angry. From the genius behind the bestselling BUNNY SUICIDES series comes a hilarious new collection of illustrations that confirms all our worst fears: the pigs won't take it lying down.

"The memoir of a family of six living in a quiet part of England who, though not farmers, decide to buy two mini-pigs"-.

The world fell in love with swimming canines in Seth Casteel's first book, Underwater Dogs. Now, in more than 80 previously unpublished portraits of underwater puppies, we see man's best friends at their most playful and exuberant. Each vibrant and colourful underwater image shows off the wild and sublime range of emotions of puppies, cute and irresistible to the very last.

"The Bahamas are famous for sun, sand-and swimming pigs." –National Geographic In the middle of paradise, with billionaires and celebrities for neighbors, is an island populated only by swimming pigs. For decades, this archipelago of 365 islands would remain largely unknown to the world. It would not be a ruthless pirate, pioneering loyalists, a notorious drug kingpin, or the infamous Fyre Festival that would unveil Exuma to the world, but rather the most unlikely of creatures. Appearing in magazines, videos, newspapers, commercials, TV shows, and countless selfies, the Swimming Pigs of Exuma, in the Bahamas, have become a bucket-list sensation and have been named one of the marvels of the universe. But how did they reach this celebrity status? What made them so famous? And why, in February 2017, did so many of them die? Pigs of Paradise is an unlikely story of humble beginnings and a swift rise to stardom. With interviews from historians, world-renowned ecologists, famous pig owners, and boat captains, it thoughtfully considers what this phenomenon says about not only these animals but also about us.

Everybody give a cheer—Christmastime is here! Celebrate the most wonderful time of the year with the adorable Teacup Pigs of Pennywell Farm! These bright and charming photos feature the pigs playing in the snow, decorating, and snuggling up for the holidays. A perfect way to introduce babies and toddlers to the joys of the season.

Ready to have your heartstrings tugged? Look no further than Adorable Hedgehogs 2022, featuring 13 images of the sweetest little hedgehogs around! While these little guys might look prickly, hedgehogs are actually kindhearted sweeties who just want to be loved. Enjoy their photogenic adventures through their small world for the whole year! With a handy page that shows the months of September, October, November, and December 2021, followed by individual pages for the months of 2022, this 12" x 12" wall calendar features full-color photos of these "quill kids" as they party, pig out, poke around, and have the time of their hedgie little lives! The perfect gift for the animal lover in your life, Adorable Hedgehogs 2022 will have you smiling all year long.
