Prince Rupert The Last Cavalier
Arrives: Oct 29 - 31 Details To his fellow Royalists, fighting for King Charles I, Prince Rupert of the Rhine was the archetypal 'cavalier'. Young, handsome, expert horseman, crack pistol shot, his swaggering style irritated the stuffier of the king's courtiers almost as much as the 'Roundheads' they were fighting.

Prince Rupert: The Last Cavalier: Amazon.co.uk: Spencer ...
Prince Rupert -- The Last Cavalier (2007) by British author Charles Spencer -- journalist (former correspondent for NBC News), writer, broadcaster, and the peer 9th Earl Spencer -- should be congratulated for writing this magnificent and comprehensive biography of Prince Rupert of the Rhine (1619-1682), a prince who packed more life in his lifetime than seemed humanly possible to any mortal by the standards of any age.

Prince Rupert: The Last Cavalier: Amazon.co.uk: Spencer ...
An excellent biography of the last Cavalier, written by Charles, Earl Spencer. Prince Rupert fought for the Royalists as Charles I was being overthrown in the Civil War. He continued to be a supporter of the royal dynasty even after the King was executed. He came back to England when Charles II took the throne and was a respected advisor to the King.

Prince Rupert: The Last Cavalier by Charles Spencer
Prince Rupert: The Last Cavalier. ***. Charles Spencer. Weidenfeld & Nicolson, 2007. 369 pages, £20.00. ISBN 978 0 297 84610 9. Charles Spencer, who is an expert on loyalty, admires Prince Rupert for his devotion to his king, his relations, his men and his religion. In this well researched and competently written biography he shows how Rupert remained loyal to Charles I, despite some unfair treatment along the way, loyal to his extravagant mother and selfish older brother, loyal to his ...

A brilliant history of Prince Rupert of the Rhine from his penniless start, becoming a soldier in his teenage years, up to his life as King Charles I's most famous and spectacular general.
Recounts the life and exploits of the general, cavalier, scientist, and scholar, from his childhood escape through Bohemian snows to his later life as a respected statesman.
Examines the lives of the men who signed Charles I's death warrant and the far-reaching consequences for them, those present at the trial, and England itself.

How did the most wanted man in the country outwit the greatest manhunt in British history?
Nebula and World Fantasy Award Finalist: A fantastic tale of intrigue, love, war, magic, and swashbuckling adventure set in an alternate universe where fairies mingle freely with Englishmen and all of Shakespeare's fictional characters are real Welcome to an alternate civil-war-torn seventeenth-century England—a world where Hamlet once brooded and Othello jealously raged. Here faeries and sprites gambol in English woods, railroads race across the landscape while manned balloons float above the countryside, and the most respected historian of all is one William Shakespeare of Stratford-upon-Avon. The year is 1644, and the war between the Roundheads and the Cavaliers rages. When Rupert, nephew of King Charles I, is taken captive by Cromwell's troops and imprisoned in a Puritan home, he is immediately smitten with the beautiful Jennifer Alayne, his captor's niece. Escaping with the help of his newfound beloved and the loyal trooper Will Fairweather, Rupert leads Jennifer deep into the forest, where the faerie folk who dwell there have a vested interest in the outcome of the great and bloody conflict. Though the lovers must soon part—with the prince undertaking a dangerous mission for his magical benefactors that could turn the tide of war—Rupert and his lady love will be forever joined by the rings presented to them by King Oberon and Queen Titania. And despite the strange, twisting pathways and turbulent seas they are destined to encounter, they will always be able to find each other again . . . as long as their love remains true. Nominated for the World Fantasy Award and winner of the Mythopoeic Award, Poul Anderson's A Midsummer Tempest is a titanic achievement—a delightful alternate-history fantasy that brings the fictional worlds of Shakespeare's plays to breathtaking life with style, wit, and unparalleled imagination.

The story of Boy, the canine companion of King Charles I's nephew, Prince Rupert, whose fame as a dog-witch was one of the stranger consequences of the English Civil War.
THE #2 SUNDAY TIMES BESTSELLER 'As gripping as any thriller. History doesn't get any better than this' BILL BRYSON 'A brilliant read ... Game of Thrones but in the real world' ANTHONY HOROWITZ

How two men brought about the defeat of Louis XIV's previously unbeaten army and saved Europe from French domination - A Sunday Times Bestseller By the summer of 1704 Louis XIV's vast armies dominated Europe. France defeated every alliance formed against her and Louis was poised to extend his frontier to the Rhine and install a French prince on the throne of Spain. Two men saved Europe from French military domination: the Duke of Marlborough and Prince Eugene of Savoy. Marlborough masterminded a brilliant campaign, working with Eugene to surprise the French invaders inside Germany. The rival armies clashed in August and the hitherto unbeaten French were utterly destroyed. Blenheim was a major turning point in European history. Charles Spencer's narrative is drawn from original sources and moves seamlessly from the deliberations of Kings and princes to the frontline soldiers. This is the battle that creates the enduring reputation of the British redcoat and shatters the image of the 'Sun King' and his mighty army.

On 2 July 1644, six miles from York, 18,000 Royalists led by Prince Rupert, the nephew of King Charles I, fought 27,000 Parliamentarians in an attempt to relieve the Royalist force besieged at York. He failed. The defeat was catastrophic and the North was lost to Parliamentary troops. John Barratt looks afresh at the battle and explores the disagreements among the Royalist leaders that had a devastating effect on the outcome of the battle.

From the bestselling author Charles Spencer, a brilliant insider's history of the Spencer family.
