topics highly readable.

What is a project? How are projects organized to deal with a complex, rapidly changing, and uncertain world? Why are projects the

# Download Ebook Projects A Very Short Introduction

organization of the future?

A project is a temporary organization and one-time process established to achieve a desired outcome. Projects range in size from small teams to large international joint-ventures

# Download Ebook Projects A Very Short Introduction

Very Short Introductions  
and temporary coalitions of public and private organizations. What distinguishes projects from all other organizational activities - such as mass produced products and services - is that a project

# Download Ebook Projects A Very Short Introduction

is finite in duration, lasting from hours, days, or weeks to years, and in some cases decades. Each project is disposable. It brings together people and resources to accomplish a goal and when the goal is

# Download Ebook Projects
