Mazes provide hours of fun for kids ages 6-8, and are some of the best early childhood education tools out there! Mazes are a fun activity for children which helps them learn to manipulate their fingers and develop muscle tone, strength, and balance. Mazes are a great way to work on handwriting without just writing letters and words. This mazes book has 3 difficulty levels (Easy, Medium, Hard) suitable for ages 6-8. Age isn't necessarily an advantage when it comes to problem-solving in mazes - chances are your cluey kid will beat you to the end. Below are several reasons to practice mazes with your child at home: Problem-solving: Mazes help your child to work on his executive functioning skills, such as planning and brainstorming various strategies. Visual-motor: Mazes require your child to use his eyes to scan the worksheet to find possible solutions. Scanning is a great skill used for reading and writing, as it is important to scan from the left side of the paper to the right side. Confidence: Mazes are perfect fine motor activities to help boost your child's confidence. Have your child begin with a simple maze to provide immediate success, and then have him work towards completing mazes of increased difficulty.
