Want to be a scrap quilter? Great! Want to think like a scrap quilter? Learn from a master! Lissa Alexander has spent three decades honing her scrap-quilting talents, and in her first solo book, she offers page after page of tips for making dazzling scrap quilts bursting with colors, prints, and textures. Learn Lissa's secrets for deciding which fabric combinations work (and understanding why others don't). Best of all, with a dozen patterns to choose from you'll discover how to (finally!) use your unique stash to make scrap quilts that sing. Includes a preface by renowned quilt historian Barbara Brackman.

Embrace the art of quilting with simple instructions to create particularly beautiful Dresden plate blocks. Each variation looks unique and all are astonishingly easy to sew. Use any and all of the twenty-five design elements, including the four different edge treatments, the range of sizes (2"–9 1/2"), and the amazing variety of traditional (and nontraditional) patterns, from the sawtooth to the flying geese. Mix it up even more by fabric piecing wedges and introducing up to twenty different colors and patterns for each of the wedges. Enjoy the options and the freedom to design with color, pattern, and shape!

A natural follow-up to the best-selling *Create Your Own Free-Form Quilts*, this book applies Rayna's no rules, no mistakes, no worries style to modern quilting. Starting with strips and geometric shapes, you'll cut and sew without patterns, required yardage, or complicated diagrams. This freeing method lets you create modern quilts organically as you follow your instincts, ask "what if...?", and experiment with scale, color, value, and placement.

The story of the American Quilt Trail, featuring the colorful patterns of quilt squares painted large on barns throughout North America, is the story of one of the fastest-growing grassroots public arts movements in the United States and Canada. In *Barn Quilts and the American Quilt Trail Movement* Suzi Parron takes us to twenty-five states as well as Canada to visit the people and places that have put this movement on America's tourist and folk art map. Through dozens of interviews with barn quilt artists, committee members, and barn owners, Parron documents a journey that began in 2001 with the founder of the movement, Donna Sue Groves. Groves's desire to honor her mother with a quilt square painted on their barn became a group effort that eventually grew into a county-wide project. Today, quilt squares form a long imaginary clothesline, appearing on more than three thousand barns scattered along one hundred and twenty driving trails. With more than eighty full-color photographs, Parron documents here a movement that combines rural economic development with an American
