Only in Pigeon Racing. At 57 years of age, I have been very fortunate in my life to be successfully involved in various competitive sports – HUMAN AND ANIMAL. Only in the pigeon sport have I ever heard of evaluating athletes by "EYE SIGN". I have never witnessed nor heard of coaches, owners, general managers or parents looking into the eyes of their players, young children or livestock with a "jeweler's loupe" to see if they were going to be a good performer, top breeder, sprinter ...

However, both maintain that the percentage of good racing pigeons can be increased substantially by breeding only with birds with the eye sign common to good breeders. Nevertheless, both fanciers also emphasize different aspects of the eye sign concept which does not make one right or wrong. One could look at the same eye, as I have done here, and see the attributes emphasized by various eye sign enthusiasts.

A number of ambitious beginners in the pigeon sport have asked what to look for in the eye of a racing pigeon. The information here is based on my own experience and, in my view, is backed by results. Beware of the "eye sign" experts. This warning will save you cash and the heads of many good pigeons. Firstly, if a so-called "eye sign" expert examines your pigeons' eyes and tells you which to cull, politely guide him off your property.

Pigeon racing: examine the eyes | Farmer's Weekly

The first thing we notice about a pigeon eye, even without optical aids, is the pupil. The pupil is nothing more than an opening in the coloured iris and the deep black is nothing more than a piece of the retina. Images are broken by the lens at the front of the eye and projected smaller onto the retina.

This is a quote from Silvere Toye when I asked him about eye sign in racing pigeons. "The pigeon's eye is a reflection of the health also the vitality of the pigeon the older they get." Quite right but there is still a lot more to the subject. There are some fascinating photos of pigeon's eye's and they look incredible, but they are not worth a light, they are very misleading because they are manufactured.

Jim Emerton bred and raced birds for 40 years and had birds return to the loft from as far as 879 miles away. Now in retirement from active racing, he devotes his time and energies to sharing his experiences, his observations and his expertise with the rest of the fancy. Here in one volume is a comprehensive collection of his thoughts about pigeons and pigeon racing, ranging from short pieces originally written for the leading fanciers' magazines to full-length articles and interviews. "What unites us in principle is the common good of the sport, and with this in mind I do what I can for others - it all oils the cogs of the sport. Some will see me as a know-all, yet I am a quiet little man making my mark, that's all. What is true is that I have made a life study of pigeons, and as a teacher I like to impart knowledge and experience...My aim is purely to tell it as it is to me, and if this is illuminating to others, then so be it." y

Racing Pigeons: A Manual describes the historical use of homing pigeons for communications and is a manual for the pigeon racing sport. Descended from the wild Blue Rock dove, homing pigeons have been highly valued since ancient times for sending messages in times of peace and war. Today's homing pigeons have been bred to perform better than ever. Pigeon racing has developed into a worldwide hobby and is the national sport of Belgium. In 2013, a champion Belgian pigeon was sold for \$400,000. Some pigeon races offer a million dollars in prize money but it can also be a hobby for ordinary folks who raise pedigreed pigeons and fly them for pleasure. This book explains how pigeon racing can be enjoyable and affordable with information on getting started, instructions for establishing a loft, breeding and training programs, and details about pigeon racing on a modest budget. The author has over fifty years of experience with racing pigeons, raising them, importing and exporting them, and winning races in international competition. In our fast paced electronic and impersonal age, homing pigeons can be a relaxing, challenging and rewarding family activity, appealing to people of all backgrounds. The author mentions some celebrities who have been homing pigeon fanciers. Pigeon racing in an under-publicized activity in America. Racing Pigeons: A Manual unveils this unique hobby and sport.
