You're stretched to the limit, but you still want to accomplish more; to lose some extra weight, start a business, or maybe even write a book. How can you achieve these goals with such a busy life? Ready Aim Fire! is the tool that gives you focus and direction in a practical way. What is included in Ready Aim Fire? 1. A step-by-step plan to set goals that fit your life 2. Direct action steps to guide you every step of the way 3. Real life examples to provide clarity 4. Intentional times of rest to maximize success and avoid fatigue 5. A DISC-based personality test, Myers-Briggs based test, and aStrengthsfinder based test 6. Audiobook narrated by Erik Fisher

Trust God to guide the moving bullet. Ready. Fire!... before aiming? That's irresponsible advice if you're holding a weapon but it is often the reality when following God on the journey of faith. Using his story and the first fourteen years of Kingdomcity as a backdrop, Mark Varughese encourages every reader to embrace the adventure that comes with saying 'Yes' to God, without hesitation. Mark and his wife, Jemima, have spearheaded the startling growth of Kingdomcity, a global multi-site church of over 30,000 people across ten countries. In Ready, Fire! Aim, Mark recalls the profound burning-bush experience which triggered his move from Australia to Malaysia to start a church in early 2006, and the adventure that followed. He transparently shares his journey and the convictions that have underpinned it, to encourage and inspire you to take the risk that your dream may just need to become reality.

Addresses the fears and misconceptions that many people have about starting a business by presenting strategies for success and avoiding the pitfalls that threaten fledgling companies.

In Seven Years to Seven Figures, self-made millionaire and renowned wealth coach Michael Masterson reveals the steps you can take to accumulate seven-figure wealth within seven years—or less. Seven Years to Seven Figures will give you the tools to increase your income, get the highest possible returns on investments, save wisely—and secure your financial future faster than you may have ever dreamed.

Buy this journal today to improve every aspect of achieving your business and personal goals.

The roots of Skinhead culture goes back to a time when black and white youth united under the banner of music and community as immigrants from Jamaica arrived on the shores of England in the late 1960s. England's "mod" meets Jamaica's "rude boy" - the result is the "skinhead." A decade later, portions of that world became co-opted by the far right wing, in an effort to polarize the vote toward a fascist and intolerant British state. Often underpaid or unemployed youths became an easy target for propaganda and the promise of violence. This was the birth of the Neo-Nazi Skinhead. But the true Skinhead movement continued to endure through the multicultural spirit of its origin. Refusing to die, it found new residence worldwide. And the war of the Skinheads began. George Dachs is growing up in Milwaukee, WI in the early 90's. The only son of a single mother struggling with depression, his living conditions have exposed him to the adult world at a very early age. His upbringing does not reflect the American value system of the post-Reagan era. As he races towards his mid-teens, his search for some semblance of familial structure in his life is threatened by his own confused, violent tendencies. George finds solace and acceptance in the local chapter of the non-racist Skinhead crew. The Brew City Skinheads are determined to take down the various white power and Neo-Nazi movements throughout the Midwest. This is a crusade that will come to change George's life forever. He quickly rises through the ranks, bringing together elements of the Black and Jewish communities of the city, and staging violent and criminal attacks on various racist groups. As he struggles to maintain a moral foundation, he confronts race, religion, sexuality, violence, drugs, addiction and friendship in the most visceral and explosive ways. The debut novel by Kevin Triggs, Ready, Fire, Aim gives readers a look into one of America's truly yet undiscovered battlegrounds. Told with raw honesty, fragility and humor, this book will shake you to the core.
