From #1 New York Times bestselling author Richard Paul Evans, the dramatic conclusion in the riveting Broken Road trilogy—a powerful redemption story about finding happiness on a pilgrimage across iconic Route 66. Chicago celebrity and pitchman Charles James is supposed to be dead. Everyone believes he was killed in a fiery plane crash, a flight he narrowly missed. But thanks to that remarkable twist of fate, he 's very much alive and ready for a second chance at life and love. Escaping death has brought Charles some clarity: the money, the fame, the expensive cars: none of it brought him true joy or peace. The last time he was truly happy was when he was married to his ex-wife Monica, before their relationship was destroyed by his ambition and greed. In this final installment of the exciting and provocative series that began with The Broken Road and The Forgotten Road, Charles is still on his pilgrimage across the iconic Route 66. He intends to finish his trek from Amarillo to Santa Monica, despite learning that his ex-wife is now planning to marry another man. With the initial reason for his trip in jeopardy, he still has lessons to learn along the way before he discovers—and arrives at—his true destination.

In the wake of factory closings and his beloved wife's death, Lev makes his way from Eastern Europe to London, seeking work to support his mother and his little daughter. After a spell of homelessness, he finds a job in the kitchen of a posh restaurant and a room in the house of an appealing Irishman who has already lost his family. Never mind that Lev must sleep in a bunk bed surrounded by plastic toys--he has found a friend and shelter. However constricted his life in England remains, he compensates by daydreaming of home, by having an affair with a younger restaurant worker, and by trading gossip and ambitions via cell phone with his hilarious friend Rudi, who, dreaming of the wealthy West, lives largely for his battered Chevrolet. Homesickness dogs Lev, not only for nostalgic reasons, but because he doesn't belong, body or soul, to his new country--but can he really go home again? Rose Tremain's prodigious talents as a prose writer are on full display in THE ROAD HOME, and her novel never loses sight of what is truly important in the lives we lead.

Robbie thought he was ready for a camping trip in the mountains near Seattle. He and his father Jeff made it into the mountains without a hitch, but nothing could have prepared them for the rest of the trip! After a city-busting earthquake strikes the Seattle area, Robbie and his father have to rely on their wits and some new-found skills to get home safely, dealing with many unexpected obstacles on the way. To make matters even worse, they still need to rescue the rest of their family from an insidious danger that made its way to their doorstep. The story combines exciting, non-stop action with dozens of practical emergency preparedness and high-tech ham radio tips that you will find helpful in many situations, from going on an uneventful road trip or day hike, to getting lost in the woods, even to surviving a natural disaster! "This fast paced adventure will engage youth and adults in the realities of what can happen in an emergency and how amateur radio can be one of the many tools in the preparedness toolbox." - Debra Johnson, K1DMJ, Education Services Manager, ARRL Second Edition - June 2011

"This novel is sure to join the rich canon of Southern literature." --Anna Jean Mayhew, author of The Dry Grass of August From Pushcart Prize nominee Danny Johnson comes a powerful, lyrical debut novel that explores race relations, first love, and coming-of-age in North Carolina in the 1950s and '60s. At eight years old, Raeford "Junebug" Hurley has known more than his share of hard lessons. After the sudden death of his parents, he goes to live with his grandparents on a farm surrounded by tobacco fields and lonesome woods. There he meets Fancy Stroud and her twin brother, Lightning, the children of black sharecroppers on a neighboring farm. As years pass, the friendship between Junebug and bright, compassionate Fancy takes on a deeper intensity. Junebug, aware of all the ways in which he and Fancy are more alike than different, habitually bucks against the casual bigotry that surrounds them--dangerous in a community ruled by the Klan. On the brink of adulthood, Junebug is drawn into a moneymaking scheme that goes awry--and leaves him with a dark secret he must keep from those he loves. And as Fancy, tired of saying yes'um and living scared, tries to find her place in the world, Junebug embarks on a journey that will take him through loss and war toward a hard-won understanding. At once tender and unflinching, The Last Road Home delves deep into the gritty, violent realities of the South's turbulent past, yet evokes the universal hunger for belonging. Advance praise for The Last Road Home "In this intense and well-written debut novel, Danny Johnson probes deep into the cauldron of racial relations in the 1960's South. The Last Road Home introduces an exciting new voice in Southern Literature." --Ron Rash, author of Above the Waterfall "In The Last Road Home, Danny Johnson evokes a South that in many ways may be gone, thank the Lord. Yet Johnson's compelling and heartfelt rendering of Junebug and Fancy couldn't be more charged and alive. The long dramatic arc of their deep and ever evolving relationship traces a time and a place giving way to change in violent fits and starts. Yet this is no sociological treatise. It's a flesh and blood story about two people, who risk just about everything time and time again, for nothing more and nothing less than to love each other." --Tommy Hays, author of In The Family Way "The Last Road Home took me straight into the heart of a wounded boy who becomes a complicated man. By the end of this stunning novel, I felt I'd come to understand humans better than I had before, how we come to be the way we are, tender and full of fury. I don't recall having such a reaction to a novel. Author Danny Johnson shrinks from nothing. I say: read it!" --Peggy Payne, author of Cobalt Blue "Johnson's moving novel beautifully portrays the ways in which his young characters struggle to overcome the history that has so fully shaped their lives." --John Gregory Brown, author of Decorations in a Ruined Cemetery

For Las Vegas widow Naomi, memories of a Pennsylvania Dutch childhood are an ache from the distant past, a painful memory of abandoned roots and lost connections. She has long since reconciled herself to the shattered dreams that had enticed her from her heritage and now simply lives in a tiny apartment, thick with loneliness and regret. Her sole consolation is her daughter-in-law Ruth. But when hard living claims both of her boys, the two women turn Naomi's creaky Impala eastward in a desperate, last-chance bid for hope and meaning. This begins a cross-country odyssey that brings her home to her old farm in Lancaster County--and to the values and rhythms of a life once spurned. Although the East is foreign territory, Ruth also finds a home here among the slow and authentic cadences of Pennsylvania farm country. And she finds love...

In one of Jim Harrison ' s greatest works, five members of the Northridge family narrate the tangled epic of their history on the Nebraska plains. The Road Home continues the story of the captivating heroine Dalva and her peculiar and remarkable family. It encompasses the voices of Dalva ' s grandfather John Northridge, the austere, hard-living half-Sioux patriarch; Naomi, the widow of his favorite son and namesake; Paul, the first Northridge son, who lived in the shadow of his brother; and Nelse, the son taken from Dalva at birth, who now has returned to find her. It is haunted by the hovering spirits of the father and the lover Dalva lost to this country ' s wars. It is a family history drenched in suffering and joy, imbued with fierce independence and love, rooted in the Nebraska soil, and intertwined with the destiny of whites and native Americans in the American West. Epic in scope, stretching from the close of the nineteenth century to the present day, The Road Home is a stunning and trenchant novel, written with the humor, humanity, and inimitable evocation of the American spirit that have delighted Jim Harrison ' s legion of fans. " A graceful novel . . . To read this book is to feel the luminosity of nature in one ' s own being ." —The New York Times Book Review " The Road Home confirms what his longtime fans already know: Harrison is on the short list of American literary masters. " —The Denver Post " Demonstrates why [Harrison] is considered one of the best storytellers around. " —The Washington Post " The Road Home is Harrison at the peak of his powers, a splendid combined prequel and sequel . . . very much alive and probably his best novel. " —Boston Sunday Herald

The story of the orphan boy Moon, begun in Watt Key's award-winning Alabama Moon, continues with Dirt Road Home After his recapture, gutsy 14-year-old Hal Mitchell is sentenced to live at Hellenweiler, an institution that is more like a jail than the boys' home it's supposed to be. Hal could walk out in just a few months if he keeps out of trouble. But in a place like Hellenweiler, the more he tries to avoid the gangs and their violence, the stronger Hal's fellow inmates try to make him fail. This title has Common Core connections. "Key does a fabulous job of keeping his readers involved in the story and vested in the characters. Even reluctant readers will most likely find this one hard to put down." -- VOYA

A lively exploration of contemporary Buddhism from one of its most admired teachers Do you feel at home right now? Or do you sense a hovering anxiety or uncertainty, an underlying unease that makes you feel just a bit uncomfortable, a bit distracted and disconnected from those around you? In The Road Home, Ethan Nichtern, a senior teacher in the Shambhala Buddhist tradition, investigates the journey each of us takes to find where we belong. Drawing from contemporary research on meditation and mindfulness and his experience as a Buddhist teacher and practitioner, Nichtern describes in fresh and deeply resonant terms the basic existential experience that gives rise to spiritual seeking—and also to its potentially dangerous counterpart, spiritual materialism. He reveals how our individual quests for self-awareness ripple forward into relationships, communities, and society at large. And he explains exactly how, by turning our awareness to what's happening around us and inside us, we become able to enhance our sense of connection with others and, at the same time, change for the better our individual and collective patterns of greed, apathy, and inattention. In this wise and witty invitation to Buddhist meditation, Nichtern shows how, in order to create a truly compassionate and enlightened society, we must start with ourselves. And this means beginning by working with our own minds—in whatever state we find them in.

The Road Home lies in the shadows of Manifest Destiny and Wounded Knee: it is etched into the landscape of an old man's memory and into the stubborn dreams of a young man's heart. In one of Jim Harrison ' s greatest works, five members of the Northridge family narrate the tangled epic of their history on the expanses of the Nebraska plains. They strive to understand their fates, to reconcile with demons of the past, to live in accordance with the land and to die with grace. As the family grapples with the mysterious forces that both pull them apart and draw them inextricably back together, they must come to term with life's greatest and hardest lessons: the deception of passion, the pain of love, the vitality of art, and the supplication to nature's generosity and fury.
