playing and defeating some of the greatest players of the twentieth century. In 1962, Rod became the second man to win the Grand Slam - that is, winning the Australian, French, Wimbledon and US titles in a single calendar year. In 1969, he won it again, becoming the only player ever to win the Grand Slam twice. Laver's book is a wonderfully nostalgic journey into Laver's path to stardom, from the early days of growing up in a Queensland country town in the 1950s, to breaking into the amateur circuit, to the extraordinary highs of Grand Slam victories. Away from on-court triumphs, Rod also movingly writes about the life-changing stroke he suffered in 1998, and of his beloved wife of more than 40 years, Mary, who died in 2012 after a long illness. Filled with anecdotes about the great players and great matches, set against the

The tennis star offers a candid account of his athletic career that reveals his rise to fame on the court, his most dramatic on-court moments, his famed rivalry with Andre Agassi, and the pressures of and lessons learned about success.

This is Rod Laver's first-hand account of his historic 1969 Grand Slam sweep of all four major tennis titles. strategies that helped him to achieve unparalleled success on the tennis court. Originally published in 1971, "The Education of a Tennis Player" was updated in 2009 on the 40th anniversary of his historic second Grand Slam with new content, including his recovery from a near-fatal stroke in 1998. Bud Collins, the legendary tennis personality and historian, serves as the book's co-author.

From the 1950s to the 1970s, Australia was the world's tennis superpower, producing players who dominated amateur grand slam tournaments, the Davis Cup and the professional circuit, and none was more successful, famous or influential than Rod Laver, whose two singles Grand Slams - winning the Australian, French, Wimbledon and United States

championships in a calendar year - have never been equalled. The Golden Era is Rod's deeply personal account of those great years. As a participant and eye-witness, he captures the excitement and drama of the great wins, and gives us genuine insight into the band of supremely talented Australian champions who balanced playing hard with a legendary sportsmanship. Written with all of Rod's peerless tennis knowledge, and including key interviews with Frank Sedgman, Ken Rosewall, the late Lew Hoad, Neale Fraser, Mal Anderson, Ashley Cooper, Roy Emerson, Fred Stolle, John Newcombe and Margaret Court, The Golden Era is the definitive story of the two decades of Australian tennis domination that will almost certainly never be repeated.

#1 NATIONAL BESTSELLER Far more than a superb memoir about the highest levels of professional tennis, *Open* is the engrossing story of a remarkable life. Andre Agassi had his life mapped out for him before he left the crib. Groomed to be a tennis champion by his moody and demanding father, by the age of twenty-two Agassi had won the first of his eight grand slams and achieved wealth, celebrity, and the game's highest honors. But as he reveals in this searching autobiography, off the court he was often unhappy and confused, unfulfilled by his great achievements in a sport he had come to resent. Agassi writes candidly about his early success and his uncomfortable relationship with fame, his marriage to Brooke Shields, his growing interest in philanthropy, and—described in haunting, point-by-point

detail—the highs and lows of his celebrated career.

A great Australian story of sport, mateship and being a maverick. Paul McNamee is a legendary figure in Australian tennis. From his early days as a talented Melbourne teenager, McNamee became a top international player, conquering Wimbledon and the Australian Open with his doubles partner, Peter McNamara. Along the way he shared a court with such luminaries as Rod Laver, Martina Navratilova, John McEnroe and Bjorn Borg. Just as important have been his contributions to the evolution of the sport: as the driving force behind the Hopman Cup and the reinvention of the Australian Open, and as a coach. This is his story - candid, compelling and insightful - of an ever-changing life in

tennis. Paul McNamee AM is the only player to have changed from a one-handed to a two-handed backhand midcareer. He became the Australian number one in singles, reaching the semi-final of the Australian Open, and in doubles won five Grand Slam titles and held the world number-one ranking. He is credited with invigorating the Australian Open, positioning it as the Grand Slam of Asia/Pacific and instigating the night final - the highest rating show in Australian television history. As co-founder of the Hopman Cup, Paul helped turn the tournament into a prestigious international event. He is a professorial fellow at Monash University. A cult classic, from an era populated by the most colourful tennis players of all time, *A Handful of Summers* is an uninhibited account of adventures on the tennis circuits of the world. More about the hilarious escapades of players than the game itself, the book begins with a short series of vignettes from Forbes' childhood on a Cape farm, then takes the reader on a tennis tour - into locker rooms and restaurants, narrow streets and small hotels, and onwards to the lawns of Wimbledon and the caramel coloured clays of Roland Garros.

Regarded by many as the greatest tennis player in the history of the sport, this authoritative biography is based on many exclusive interviews with Federer and his family as well as the author's experience covering the international tennis circuit
