We Believe is the most definitive book to understanding our American heritage. It is designed to be a quick and easy way for Americans to understand what we, as a nation, believe and the core values upon which our great country was built and continues to thrive on. It is a powerful 30-day tutorial to understanding what our Founding Fathers believed, coupled with the erudite wisdom from subsequent generations, in the hopes of making us all better-informed Americans. Readers are taken on an historical journey from the Declaration of Independence to the Constitution to the Bill of Rights to the words of modern-day bearers of our American heritage and echoes with the voices of great leaders including Madison, Jefferson, Lincoln, JFK, Dr. King, President Reagan, and others-and how their words shaped, and continue to shape, our futures. They will be inspired by the thoughts, ideas and writings of these great leaders and infused with a sense of responsibility to preserve those very same American values for future generations.

Even more timely than when it first appeared, this bilingual tenth anniversary edition provides the faithful with a powerful instrument for opening wide the doors of Christ.

As Catholics, the Mass is the center of our Faith. We celebrate it every day. We know all the responses. We know all the gestures. But do we know what it all means? In *A Biblical Walk Through the Mass*, Dr. Edward Sri takes us on a unique tour of the Liturgy. Based on the revised translation of the Mass, this book explores the biblical roots of the words and gestures we experience in the Liturgy and explains their profound significance. This intriguing look at the Mass is sure to renew your faith and deepen your devotion to the Eucharist. This book is used as the text for *A Biblical Walk Through the Mass Study Program*, but it may also be purchased separately at steep bulk discounts. For those not able to attend a study, this is a perfect resource for catechesis on the deep riches of the Mass.
