A USA Today Bestseller! | Every now and then a new voice in fiction arrives to completely charm, entertain and remind us what matters. Viola Shipman is that voice and The Summer Cottage is that absolutely irresistible and necessary novel. | New York Times Bestselling Author Dorothea Benton Frank From the bestselling author of The Charm Bracelet and The Recipe Box comes the perfect summer escape about the restorative power of family tradition, small-town community and the feel of sand between your toes Adie Lou Kruger's ex never understood her affection for what her parents called their Cozy Cottage, the charming, ramshackle summer home complete with its own set of rules for relaxing that she's inherited on Lake Michigan. But despite the fact she's facing a broken marriage and empty nest, and middle age is looming in the distance, memories of happy childhoods on the beach give her reason for hope. She's determined not to let her husband's affair with a grad student reduce her to a cliché, or to waste one more minute in a career she doesn't love, so it becomes clear what Adie Lou must do: rebuild her life and restore her cottage shingle by shingle, on her terms. But converting the beloved, weather-beaten structure into a bed-and-breakfast isn't quite the efficient home-reno experience she's seen on TV. Pushback from Saugatuck's contentious preservation society, costly surprises and demanding guests were not part of the plan. But as the cottage comes back to life, Adie Lou does, too, finding support in unexpected places and a new love story on the horizon. One cottage rule at a time, Adie Lou reclaims her own strength, history and joy by rediscovering the magic in every sunset and sandcastle.

One woman must keep her past and her heart hidden, but the man next door is just as determined to bring it to light in the first book in a new small-town series from USA Today bestselling author Annie Rains.

Megan will rent him a cottage, but that's where it ends no matter how gorgeous Elliot has become. Coming back home to Haven Point was the last thing bestselling writer Elliot Bailey thought he'd ever do. But the book he's writing now is his most personal one yet and it's drawn him back to the woman he can't get out of his mind. Seeing Megan again is harder than he expected and it brings up feelings he'd thought were long buried. Could this be his chance to win over his first love?
