Classic Books Library presents this brand new edition of "The Federalist Papers", a collection of separate essays and articles compiled in 1788 by Alexander Hamilton. Following the United States Declaration of Independence in 1776, the governing doctrines and policies of the States lacked cohesion. "The Federalist", as it was previously known, was constructed by American statesman Alexander Hamilton, and was intended to catalyse the ratification of the United States Constitution. Hamilton recruited fellow statesmen James Madison Jr., and John Jay to write papers for the compendium, and the three are known as some of the Founding Fathers of the United States. Alexander Hamilton (c. 1755-1804) was an American lawyer, journalist and highly influential government official. He also served as a Senior Officer in the Army between 1799-1800 and founded the Federalist Party, the system that governed the nation's finances. His contributions to the Constitution and leadership made a significant and lasting impact on the early development of the nation of the United States.

"Golway's revisionist take is a useful reminder of the unmatched ingenuity of American politics."-Wall Street Journal History casts Tammany Hall as shorthand for the worst of urban politics: graft and patronage personified by notoriously crooked characters. In his groundbreaking work Machine Made, journalist and historian Terry Golway dismantles these stereotypes, focusing on the many benefits of machine politics for marginalized immigrants. As thousands sought refuge from Ireland's potato famine, the very question of who would be included under the protection of American democracy was at stake. Tammany's transactional politics were at the heart of crucial social reforms-such as child labor laws, workers' compensation, and minimum wages-and Golway demonstrates that American political history cannot be understood without Tammany's profound contribution. Culminating in FDR's New Deal, Machine Made reveals how Tammany Hall "changed the role of government-for the better to millions of disenfranchised recent American arrivals" (New York Observer).
