Summary: It is the biggest treasure hunt in history with contesting nations involved in a race to locate the Seven Wonders of the Ancient World. Exactly 4500 years ago, a gold capstone, a source of immense power, was divided into seven pieces and hidden within the seven greatest structures of the age. It is now time to locate the seven pieces.

A prediction that promises ultimate power to whomever restores the Golden Capstone, an ancient Egyptian structure that protected people from global flooding before it was broken and scattered by Alexander the Great, prompts a brutal competition among top nations, terrorists, and a coalition.
