Three classic Richard Sharpe adventures

"The greatest writer of historical adventures today." —Washington Post Critically acclaimed, perennial New York Times bestselling author Bernard Cornwell (Agincourt, The Fort, the Saxon Tales) makes real history come alive in his breathtaking historical fiction. Praised as "the direct heir to Patrick O'Brian" (Agincourt, The Fort), Cornwell has brilliantly captured the fury, chaos, and excitement of battle as few writers have ever done—perhaps most vividly in his phenomenally popular novels following the illustrious military career of British Army officer Richard Sharpe during the late 18th and early 19th centuries. In Sharpe's Triumph, Sharpe's hunt for a traitorous renegade British officer leads the courageous young sergeant straight into the fires and madness of India's Battle of Assaye in September 1803. Perhaps the San Francisco Chronicle said it best: "If only all history lessons could be as vibrant."

Three classic Richard Sharpe adventures.

An up-from-the-ranks officer in Wellington's army determines to capture one of the golden eagles possessed by each of Napoleon's battalions, his private revenge and a small part of the panorama of the epochal Battle of Waterloo.

"The greatest writer of historical adventures today." —Washington Post Critically acclaimed, perennial New York Times bestselling author Bernard Cornwell (Agincourt, The Fort, the Saxon Tales) makes real history come alive in his breathtaking historical fiction. Praised as "the direct heir to Patrick O'Brian" (Agincourt, The Fort), Cornwell has brilliantly captured the fury, chaos, and excitement of battle as few writers have ever done—perhaps most vividly in his phenomenally popular novels following the illustrious military career of British Army officer Richard Sharpe during the late 18th and early 19th centuries. In Sharpe's Fortress, Ensign Sharpe's adventures in India reach a grand finale at the Siege of Gawilghur during the Maharatta War in December 1803, as Cornwell's hero uncovers a foul treason and seeks a righteous revenge. Perhaps the San Francisco Chronicle said it best: "If only all history lessons could be as vibrant."

Richard Sharpe and his men, quartered in a crumbling Portuguese fort, are attacked by an elite French unit, led by an old enemy of Sharpe's, and suffer heavy losses. The army's high command blame Sharpe for the disaster and his military career seems to be ruined. His only hope is to redeem himself on the battlefield. So with his honour at stake, against an overwhelming number of French troops, Sharpe leads his men to battle in the narrow streets of Fuentes de Oñoro.

"The greatest writer of historical adventures today." —Washington Post Critically acclaimed, perennial New York Times bestselling author Bernard Cornwell (Agincourt, The Fort, the Saxon Tales) makes real history come alive in his breathtaking historical fiction. Praised as "the direct heir to Patrick O'Brian" (Agincourt, The Fort), Cornwell has brilliantly captured the fury, chaos, and excitement of battle as few writers have ever done—perhaps most vividly in his phenomenally popular novels following the illustrious military career of British Army officer Richard Sharpe during the late 18th and early 19th centuries. Chronicling Sharpe's involvement in the famous Battle of Trafalgar in 1805, Sharpe's Trafalgar finds the young ensign captive on a French warship and in gravest peril on the eve of the one of the most spectacular naval confrontations in history. Perhaps the San Francisco Chronicle said it best: "If only all history lessons could be as vibrant."

In order to finance the Duke of Wellington's next campaign against Napoleon and his forces, Richard Sharpe undertakes to steal a fortune in gold and must outwit both Spanish guerrillas and the French in the treacherous terrain of the Portuguese hills. Reprint.

"The greatest writer of historical adventures today." —Washington Post Critically acclaimed, perennial New York Times bestselling author Bernard Cornwell (Agincourt, The Fort, the Saxon Tales) makes real history come alive in his breathtaking historical fiction. Praised as "the direct heir to Patrick O'Brian" (Agincourt, The Fort), Cornwell has brilliantly captured the fury, chaos, and excitement of battle as few writers have ever done—perhaps most vividly in his phenomenally popular novels following the illustrious military career of British Army officer Richard Sharpe during the late 18th and early 19th centuries. In Sharpe's Prey, Sharpe must prove his mettle once again after performing courageously on Wellesley's battlefields in India and the Iberian Peninsula, as he undertakes a secret mission to Copenhagen, Denmark in 1807 to prevent a resurgent Napoleon from capturing the Danish fleet. Perhaps the San Francisco Chronicle said it best: "If only all history lessons could be as vibrant."

From New York Times bestselling author Bernard Cornwell, the first exciting adventure in the world-renowned Sharpe series, chronicling the rise of Richard Sharpe, a Private in His Majesty's Army at the siege of Seringapatam. "The greatest writer of historical adventures today." —Washington Post Richard Sharpe. Soldier, hero, rogue—the man you always want on your side. Born in poverty, he joined the army to escape jail and climbed the ranks by sheer brutal courage. He knows no other family than the regiment of the 95th Rifles, whose green jacket he proudly wears.
