Shiva | Definition, Forms, Symbols, & Facts | Britannica

Shiva (or Siva) is one of the most important gods in the Hindu pantheon and, along with Brahma and Vishnu, is considered a member of the holy trinity (trimurti) of Hinduism.A complex character, he may represent goodness, benevolence and serve as the Protector but he also has a darker side as the leader of evil spirits, ghosts and vampires and as the master of thieves, villains and beggars.

Shiva - Ancient History Encyclopedia

Shiva (Hebrew: שִׁיבָה‎, literally "seven") is the week-long mourning period in Judaism for first-degree relatives. The ritual is referred to as "sitting shiva" in English.The shiva period lasts for seven days following the burial. Following the initial period of despair and lamentation immediately after the death, shiva embraces a time when individuals discuss their loss and ...

Shiva is also represented by Shiva linga. This is a phallic statue, representing the raw power of Shiva and his masculinity. Hindus believe it represents the seed of the universe, demonstrating ...

BBC - Religions - Hinduism: Shiva

Shiva is believed to be at the core of the centrifugal force of the universe, due to his responsibility for death and destruction. Unlike the godhead Brahma the Creator, or Vishnu the Preserver, Shiva is the dissolving force in life. But Shiva dissolves to create since death is necessary for rebirth into a new life.

"Sitting shiva" is a term used to describe the action of Jewish mourners participating in the traditional rituals of observing a shiva.During the period of shiva, mourners sometimes sit on low stools or boxes while they receive condolence calls.This is where the phrase "sitting shiva" comes from, and it is a practice that symbolizes the mourner being "brought low" following the loss of ...

Sitting Shiva | Shiva Jewish Mourning

During the shiva week, mourners are expected to remain at home and sit on low stools. This last requirement is intended to reinforce the mourners' inner emotions. In English we speak of "feeling low" as a synonym for depression; in Jewish law, the depression is acted out literally.

Shiva, the First Seven Days of Mourning | My Jewish Learning

Shiva is also known as Nataraja | the cosmic dancer or the Lord of the dance. This is a dialectical way of expressing that the cosmos is in a dance and the dance is guided by a certain intelligence. Shiva as Nataraja represents the exuberance of creation. Read all about the significance of Shiva as Nataraja

Directed by Arvin Brown. With Mark Harmon, Michael Weatherly, Cote de Pablo, Pauley Perrette. Gibbs and company continue to investigate the killings at Vance's home, seeking whoever hired the shooter; the gang identify the hit man and later figure out who's responsible. Ziva buries her father, and Vance and the team bury Jackie.

"NCIS" Shiva (TV Episode 2013) - IMDb

Shiva is the god of destruction along with Vishnu, who is the god of preservation, and Brahma, the god of creation. Together they are the three principle deities of the Trimurti (Hindu Triad). It is believed he periodically destroys the world, then recreates it. Shiva has different human forms, males and females.

Shiva (Final Fantasy X) | Final Fantasy Wiki | Fandom

Nataraja, (Sanskrit: "Lord of the Dance") the Hindu god Shiva in his form as the cosmic dancer, represented in metal or stone in many Shaivite temples, particularly in South India. In the most common type of image, Shiva is shown with four arms and flying locks dancing on the figure of a dwarf, who

Nataraja | Hindu mythology | Britannica

Shiva is the Jewish period of mourning observed the first week after the funeral of a parent, spouse, sibling, or child. From the time of death until the conclusion of the funeral, the primary focus and concern is on the care of the deceased and the burial preparations.

Shiva - Definition of Shiva

The traditional understanding of Shiva told through stories and teachings from the Shiva Mahapurana | Explains Shiva's contradictory forms, such as destroyer or benefactor, and how his form depends on the needs of the devotee | Reveals how Shiva's teachings allow one to see through the illusions at the root of all grief and alienation in human life | Explores Shiva's relationships with Durga, Shakti, Sati, and Parvati and with his sons Ganesha and Kartikeya Shiva, the most ancient and complex deity of the Hindu pantheon, has been portrayed in many contrasting lights: destroyer and benefactor, ascetic and householder, wild demon slayer and calm yogi atop Mount Kailash. Drawing from the Hindu sacred text the Shiva Mahapurana—said to be written by Shiva himself—Vanamali selects the essential stories of Shiva, both those from his dark wild side and those from his benevolent peaceful side. Vanamali discusses Shiva's many avatars such as Shambunatha and Bhola, as well as Dakshinamurti who taught the shastras and tantras to the rishis. She explores Shiva's relationships with Durga, Shakti, Sati, and Parvati and with his sons Ganesha and Kartikeya. Examining Shiva's acceptance of outsiders, Vanamali explains why ghosts and ghouls are his attendants and why his greatest devotees are demon kings, like Ravana. She includes famous Shiva stories such as the Descent of the River Ganga and Churning the Milky Ocean as well as those that reveal the origin of the festival of lights, Diwali; his creation of the cosmic couple, or hierogamos; and how Shiva and Parvati taught the world the secrets of Kundalini Shakti. The author also draws upon Shaivite teachings to illustrate the differences between Western science and Vedic science and their explanations for the origins of consciousness. Integrating Shiva's two sides, the fierce and the peaceful, Vanamali reveals that Shiva's form depends on the needs of the devotee. Understanding his teachings allows one to see through the illusions at the root of all grief and alienation in human life, for Shiva is the wielder of maya who does not fall under its spell. While Ganesha is known as the remover of obstacles, Shiva is the remover of tears.

Shiva: Destroyer and Protector, Supreme Ascetic and Lord of the Universe. He is Ardhanarishwara, half-man and half-woman; he is Neelakantha, who drank poison to save the three worlds-and yet, when crazed with grief at the death of Sati, set about destroying them. Shiva holds within him the answers to some of the greatest dilemmas that have perplexed mankind. Who is Shiva? Why does he roam the world as a naked ascetic covered with ash? What was the tandava? What is the story behind the worship of the linga and what vision of the world does it signify? Namita Gokhale examines these questions and many others that lie within the myriad of stories about Shiva. Even as she unravels his complexities, she finds a philosophy and worldview that is terrifying and yet life affirming-an outlook that is to many the essence of Indian thought.

Lord Shiva is the personification of all the main practices of Yoga, as the origin and ruling power over asana, prana, mantra, inner seeing and meditation. The current book unfolds the presence, light, energy and consciousness of the Supreme Shiva to take us beyond all death and duality.

This affordable, authoritative edition of the Shiva Samhita contains a new introduction, the original Sanskrit, a new English translation, nine full-page photographs, and an index. It includes beautiful teachings found nowhere else. This is the first edition of this classic Yoga text to meet both high academic and literary standards, the first to be based on a truly critical study of the Sanskrit manuscripts. It's for people who practice Yoga, and for anyone with an interest in health and fitness, philosophy, religion, spirituality, mysticism, or meditation.

" A comic, bittersweet tale of family evocative of The Yiddish Policemen's Union and Everything Is Illuminated Alexander "Sasha" Karnokovitch and his family would like to mourn the passing of his mother, Rachela, with modesty and dignity. But Rachela, a famous Polish emigre; mathematician and professor at the University of Wisconsin, is rumored to have solved the million-dollar, Navier-Stokes Millennium Prize Problem. Rumor also has it that she spitefully took the solution to her grave. To Sasha's chagrin, a ragtag group of socially challenged mathematicians arrives in Madison and crashes the shiva, vowing to do whatever it takes to find the solution-even if it means prying up the floorboards for Rachela's notes. Written by a trained geophysicist, this hilarious and multi-layered debut novel brims with colorful characters and brilliantly captures humanity's drive not just to survive, but to solve the impossible"--

An extensive look at all the aspects of multi-natured Shiva | Explores the shamanic roots of world spirituality as exemplified by this Hindu god who shares many of the attributes of the Norse Odin and the Celtic Cernunnos | Looks at Shiva's relation to contemporary culture, Tantra, and the dualistic religions of the West To his devotees Shiva is the entire universe and the core of all beings. Hindu myth shows him appearing at the beginning of creation as a giant pillar of fire from which this world sprang forth. Yet he is also the most approachable of gods, for he is the lover of lovers and the devotee of his devotees. Of the 1,008 names of Shiva, Pashupati, Lord of Animals, is one of the most common. His special relation to animals along with his trickster nature reveal the deep connection of Shiva to shamanism and other gods such as the Norse Odin and the Celtic Cernunnos that came out of the Paleolithic traditions. Ethnologist Wolf-Dieter Storl was first captivated by Shiva when he was in India as a visiting scholar at Benares Hindu University. In this book he invites readers to join in the lively and mythical world of Shiva, or Mahadev, God of All Gods. Shiva is a study in contrasts: As the lord of dance he looses himself in ecstatic abandon; with his consort Parvati he can make love for 10,000 years. Both men and women worship him for his ability to unite and balance masculine and feminine energies. But as the ascetic Shankar he sits in deep meditation, shunning women, and none dare disturb him lest he open his third eye and immolate the entire universe. Lord of intoxicants and poisons, he is the keeper of secret occult knowledge and powers, for which he is worshipped by yogis and demons alike. Shiva dances both the joy of being and the dance of doom—but in every aspect he breaks through the false ego to reveal the true self lying within. This is his true power.

The Shiva Sutra was revealed to and written down by Vasugupta (ca 875–925 CE). The Sutra is considered mystical and of divine origin. For Kashmir Shaivism, it is one of the most important key sources. It outlines the teachings of Shaiva non-dualism, where the focus is on attaining the Ultimate Reality in which everything is created and dissolved. This ultimate state is called Param Shiva and is beyond description. For attaining this state of Shiva for those who remember to reside in their own inherent-self-nature, which is of the nature of Shiva, no effort or no way is needed. For everyone else there are three ways for the attainment of Param Shiva described in the Shiva Sutra. There is no strict order given for meditating on the Sutra. It depends on one's stage of evolution. Translation from the original Sanskrit with notes.

"The life of Ananda Coomaraswamy was given to interpreting the East to the West, and often the West itself. Throughout these beautifully written, integrated essays he puts forward the Indian way of life as expressed in art and religion, to serve as a lesson to Western peoples who have been caught up in a search for happiness solely through material accumulation. Reminding us of the resources in our own traadition, he suggests that the vigor of European action must be united with the serenity of Asiatic thought if civilization is not to destroy itself. Coomaraswamy's message is particularly appropriate now when many in the West feel that our culture has reached a dead end, and are casting about for a new ideal that can replace that of Faustian mam."--Back cover

Amish Tripathi devoted years to the research of Hindu mythological stories and history, and discussions with his family about the destiny of the human body, mind and soul to create this sweeping and fascinating adaptation of ancient Hindu mythology for modern fantasy readers. 1900 BC in what modern Indians call the Indus Valley Civilization and the inhabitants called the land of Meluha: a near-perfect empire created many centuries earlier by Lord Ram—one of the greatest monarchs that ever lived—faces peril as its primary river, the Saraswati, is slowly drying to extinction. The Suryavanshi rulers are challenged with devastating terrorist attacks from the east, the land of the Chandravanshis. To make matters worse, the Chandravanshis appear to have allied with the Nagas, an ostracized and sinister race of deformed humans with astonishing martial skills. The only hope for the Suryavanshis is an ancient legend: When evil reaches epic proportions, when all seems lost, a hero will emerge. Is the unexpected, rough-hewn Tibetan immigrant Shiva that hero? Drawn suddenly to his destiny, duty, and by love, Shiva will attempt to move mountains and lead the Suryavanshi to destroy evil.
