Adua, an immigrant from Somalia, has lived in Italy nearly forty years. She came seeking freedom from a strict father and an oppressive regime, but her dreams of becoming a film star ended in shame. A searing novel about a young immigrant woman's dream of finding freedom in Rome and the bittersweet legacies of her African past. Lovely prose and memorable characters make this novel a thought-provoking and moving consideration of the wreckage of European oppression. More than half a million victims, 5 million refugees abroad and 6 million internally displaced: the figures only capture part of Syria's catastrophe. In addition, there is the less quantifiable damage to the country's social fabric. Against this dramatic backdrop, this ISPI Report aims to answer a few crucial questions: how can a country whose society has gone through such traumas and destruction reimagine itself and its

In Heaven and Hell, Swedenborg gives the reader a detailed description of the afterlife. He deals with God, heaven, hell, angels, spirits, and devils; and he addresses the issues of who is in heaven and hell.
