tasks that can be completed to help your Mistress/Master better learn where you are in your training physically, mentally, and emotionally. These sissy assignments will also help to push you in the right direction toward your end goal of becoming who you really are. Some of the sissy humiliation tasks in this course you will find more difficult than others. Completing them will make you into a more well-rounded and individual sissy. These tasks should be taken extremely seriously and finished to completion in a timely manner. Doing so will help show your devotion and commitment to your sissy transformation. Pushing your boundaries can be tedious and frightening at times, but you must remember that everything you do has a purpose. Take care to keep a progress report and progress photos when necessary. This will help both you and your Mistress/Master realize how far you have come in your sissy training. It will also help be a judge as to where your training should proceed from here. Some of these sissy public humiliation tasks will need to be completed more than once to get their full effect. You should use your judgment and be truthful with yourself in your progress report as to whether you feel you received the full desired effect from each assignment.

This is a compilation of over 150 sissy training exercises that will benefit the Mistress/ Master as well as the self-trained sissy boi. These sissy training exercises should be used as a handy training tool to polish sissy slave skills into absolute perfection. Following these tasks on a day to day basis will turn your sissy boi into the proper sissy slave that is desirable to both parties. These sissy training tasks

After finishing both Course One and Course Two of your Femme Fabulous sissy training, you are sure to be the proper little sissy both you and your Mistress desire.

THE NATIONAL BESTSELLER "Transformative ... If Tobia aspires to the ranks of comic memoirists like David Sedaris and Mindy Kaling, Sissy succeeds." --The New York Times Book Review (A Paperback Row Pick) A heart-wrenching, eye-opening, and giggle-inducing memoir about what it's like to grow up not sure if you're (a) a boy, (b) a girl, (c) something in between, or (d) all of the above. "A beautiful book . . . honest and funny."--Trevor Noah, The Daily Show "Sensational."--Tyler Oakley "Jacob Tobia is a force." --Good Morning America "A trans Nora Ephron . . . both honest and didactic." --OUT Magazine "A rallying cry for anyone who's ever felt like they don't belong." --Woman's Day As a young child in North Carolina, Jacob Tobia wasn't the wrong gender, they just had too much of the stuff. Barbies? Yes. Playing with bugs? Absolutely. Getting muddy? Please. Princess dresses? You betcha. Jacob wanted it all, but because they were "a boy," they were told they could only have the masculine half. Acting feminine labelled them "a sissy" and brought social isolation. It took Jacob years to discover that being "a sissy" isn't something to be

ashamed of. It's a source of pride. Following Jacob through bullying and beauty contests, from Duke University to the United Nations to the podiums of the Methodist church--not to mention the parlors of the White House--this unforgettable memoir contains multitudes. A deeply personal story of trauma and healing, a powerful reflection on gender and self-acceptance, and a hilarious guidebook for wearing tacky clip-on earrings in today's world, Sissy guarantees you'll never think about gender--both other people's and your own--the same way again.

Punishing The Bounty Hunters And Locking Him In Chastity! Over the last few decades, research, activity, and funding has been devoted to improving the recruitment, retention, and advancement of women in the fields of science, engineering, and medicine. In recent years the diversity of those participating in these fields, particularly the participation of women, has improved and there are significantly more women entering careers and studying science, engineering, and medicine than ever before. However, as women increasingly

enter these fields they face biases and barriers and it is not surprising that sexual harassment is one of these barriers. Over thirty years the incidence of sexual harassment in different industries has held steady, yet now more women are in the workforce and in academia, and in the fields of science, engineering, and medicine (as students and faculty) and so more women are experiencing sexual harassment as they work and learn. Over the last several years, revelations of the sexual harassment experienced by women in the workplace and in academic settings have raised urgent questions about the specific impact of this discriminatory behavior on women and the extent to which it is limiting their careers. Sexual Harassment of Women explores the influence of sexual harassment in academia on the career advancement of women in the scientific, technical, and medical workforce. This report reviews the research on the extent to which women in the fields of science, engineering, and medicine are victimized by sexual harassment and examines the existing information on the extent to which sexual harassment in academia negatively impacts the recruitment, retention, and advancement of women pursuing scientific, engineering, technical, and medical careers. It also identifies and analyzes the policies, strategies and practices that have been the most successful in preventing and addressing sexual harassment in these settings.

Powerful men like Christopher Jordan need ways to unwind. For Christopher, who planned to run for governor in the next election, this meant having an internet mistress. He assumed having an internet mistress was safe because of the

anonymity of the internet. He was wrong. Christopher would now learn a hard lesson, a lesson which would place him at the mercy of his wife's cousin and her best friend, as they turned him into their sissy maid. Was that all they planned for him or was there something more?

Funny and fearless, *Tales from the Back Row* is a keenly observed collection of personal essays about what it's really like to be a young woman working in the fashion industry. In *Tales from the Back Row*, *Cosmopolitan.com* editor Amy Odell takes readers behind the stage of New York's hottest fashion shows to meet the world's most influential models, designers, celebrities, editors, and photographers. But first, she has to push her way through the crowds outside, where we see the lengths people go to be noticed by the lurking paparazzi, and weave her way through the packed venue, from the very back row to the front. And as Amy climbs the ladder (with tips about how you can, too), she introduces an industry powered by larger-than-life characters: she meets the intimidating Anna Wintour and the surprisingly gracious Rachel Zoe, not to mention the hilarious Chelsea Handler, and more. As she describes the allure of Alexander Wang's ripped tights and Marchesa's Oscar-worthy dresses, Amy artfully layers in something else: ultimately this book is about how the fashion industry is an exaggerated mirror of human fallibility—reflecting our desperate desire to belong, to make a mark, to be included. For Amy is the first to admit that as much as she is embarrassed by the thrill she gets when she receives an invitation to an exclusive after-party, she can't
