Anna was an innocent student when she was kidnapped, beaten and forced into the sex slave industry. Threatened and tormented by her pimps, she was made to sleep with thousands of men. But she would not allow them to break her. On learning that she would be trafficked from Ireland to Dubai, she found the courage to trick her captors and flee. Later, she would also find that same resilience to help the police

bring down her abductors in what has now become one of our biggest windows into the worldwide sex trafficking trade. For the first time, the girl at the centre of the storm reveals the heart-breaking truth.

The Sunday Times top ten bestseller... You're not going home. You're not going anywhere. You're mine now. Growing up in a deeply troubled family, 15-year-old Anna felt lost and alone in the world. So when a friendly taxi driver befriended her, Anna welcomed the attention, and agreed to go home with him to meet his family. She wouldn't escape for over a decade. Held captive by a sadistic paedophile, Anna was subjected to despicable levels of sexual abuse and torture. The unrelenting violence and degradation resulted in numerous

miscarriages, and the birth of four babies... each one stolen away from Anna at birth. Her salvation arrived thirteen years too late, but despite her shattered mind and body, Anna finally managed to flee. This is her harrowing, yet uplifting, true story of survival.

In 1792, 400,000 people put their signature to petitions calling for the abolition of the slaves trade. This work explains how this remarkable expression of support for black people was organized and orchestrated, and how it contributed to the growth of popular politics in Britain.

In the mid 1700s, around the age of eleven, Olaudah Equiano and his sister were kidnapped from their village in equatorial Africa and sold to slavers. Within a year he was aboard a European slave ship on his way to the Caribbean. The Interesting Narrative of the Life of Olaudah Equiano, or Gustavus Vassa, the African was published by the author in 1789 and is part adventure story, part treatise on the corrupting power of slavery, and part tract about the transformative powers of Christianity. Equiano ' s story takes him from

Download Free Slave Snatched Off Britain S

Africa to the Americas, back across the Atlantic to England, into the Mediterranean, and even north to the ice packs, on a mission to discover the North-East passage. He fights the French in the Seven Year ' s War, is a mate and merchant in the West Indies, and eventually becomes a freedman based in London. The Interesting Narrative of the Life of Olaudah Equiano was one of the first popular slave narratives and was reprinted eight times in the author ' s lifetime. While modern scholars value this account as an important source on the life of the eighteenth-century slave and the transition from slavery to freedom, it remains an important literary work in its own right. As a valuable part of the African and African-American canons, it is still frequently taught in both English and

History university courses. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

White Cargo is the forgotten story of the thousands of Britons who lived and died in bondage in Britain ' s American colonies. In the seventeenth and eighteenth centuries, more than 300,000 white people were shipped to America as slaves. Urchins were swept up from London ' s streets to labor in the tobacco fields, where life expectancy was no more than two years. Brothels were raided to provide " breeders " for Virginia. Hopeful migrants were duped into signing as indentured servants, unaware they would become personal property who could be bought, sold, and even gambled

away Transported convicts were
paraded for sale like livestock.
Drawing on letters crying for help,
diaries, and court and government
archives, Don Jordan and Michael
Walsh demonstrate that the
brutalities usually associated with
black slavery alone were perpetrated
on whites throughout British rule. The
trade ended with American
independence, but the British still
tried to sell convicts in their former
colonies, which prompted one of the
most audacious plots in Anglo-
American history. This is a saga of
exploration and cruelty spanning 170
years that has been submerged under
the overwhelming memory of black
slavery. White Cargo brings the
brutal, uncomfortable story to the
surface.

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

'[A] comprehensive and important history of black Britain . . . Written with a wonderful clarity of style and with great force and passion.' – Kwasi Kwarteng, Sunday Times In this vital re-examination of a shared history, historian and broadcaster

David Olusoga tells the rich and revealing story of the long relationship between the British Isles and the people of Africa and the Caribbean. This edition, fully revised and updated, features a new chapter encompassing the Windrush scandal and the Black Lives Matter protests of 2020, events which put black British history at the centre of urgent national debate. *Black and British* is vivid confirmation that black history can no longer be kept separate and marginalised. It is woven into the cultural and economic histories of the nation and it belongs to us all. Drawing on new genealogical research, original records, and expert testimony, *Black and British* reaches back to Roman Britain, the medieval imagination, Elizabethan ‘blackamoors’ and the global slave-

Download Free Slave Snatched Off Britain S

trading empire. It shows that the great industrial boom of the nineteenth century was built on American slavery, and that black Britons fought at Trafalgar and in the trenches of both World Wars. Black British history is woven into the cultural and economic histories of the nation. It is not a singular history, but one that belongs to us all.

Unflinching, confronting taboos, and revealing hitherto unknown scandals, Olusoga describes how the lives of black and white Britons have been entwined for centuries. Winner of the 2017 PEN Hessell-Tiltman Prize.

Winner of the Longman History Today Trustees ' Award. A Waterstones History Book of the Year. Longlisted for the Orwell Prize. Shortlisted for the inaugural Jhalak Prize.

This is the forgotten story of the million white Europeans, snatched from their homes and taken in chains to the great slave markets of North Africa to be sold to the highest bidder. Ignored by their own governments, and forced to endure the harshest of conditions, very few lived to tell the tale. Using the firsthand testimony of a Cornish cabin boy named Thomas Pellow, Giles Milton vividly reconstructs a disturbing, little known chapter of history. Pellow was bought by the tyrannical sultan of Morocco who was constructing an imperial pleasure palace of enormous scale and grandeur, built entirely by Christian slave labour. As his personal slave, he would witness first-hand the barbaric splendour of the imperial court, as well as experience the daily terror of a

Download Free Slave Snatched Off Britain S

cruel regime. Gripping, immaculately researched, and brilliantly realised, WHITE GOLD reveals an explosive chapter of popular history, told with all the pace and verve of one of our finest historians.
