Rev. ed. of: Smith and Keenan's advanced business law. 10th ed. 1997.

The tenth edition of this popular book has been brought up to date with the many changes in the field over the past 3 years. The book covers key areas of contract, sale of goods, consumer credit, employment, company law and professional negligence.

The eleventh edition of this popular book has been brought up to date with the many changes in the field over the past 2 years. The book covers key areas of contract, sale of goods, consumer credit, employment and company law.

"Smith and Keenan's Law for Business" is an established and respected textbook. It is especially suitable for undergraduate non-law students who have a business law component in their degree. It also satisfies the business law requirements for a number of professional bodies including the Association of Chartered Certified Accountants, Chartered Institute of Marketing, Chartered Insurance Institute, and the Institute of Chartered Secretaries and Administrators. The book has been updated to include new statutory and case law developments, in particular the impact of new laws in the sphere of employment law, discrimination, and company law. Key features of this edition include: new material on negligence including Occupier's Liability, Nuisance, and Rylands v Fletcher liability as it relates to business cases; analysis of the Companies (Audit, Investigators and Community Enterprise) Act 2004 which strengthens the powers of auditors post-Enron, gives new duties to directors, and creates a new form of company (i.e. the Community Interest Company); discussion of the Consumer Credit Act 2006; consideration of the Company Law Reform Bill; examination of the Employment Relations Act 2004 and; There is a Companion Website, containing an essential online update service, regularly providing information on the major developments in business law, ensuring that students always remain up to date with the latest developments in this area. It also contains a free Lecturer's Guide, providing essential support for teaching, including advice on teaching with the book, overhead masters of the diagrams in the book, and suggested solutions to questions.

'Smith and Keenan's Company Law' provides a clear and practical guide, ideal for those seeking to understand how company law works in a real life context. This new edition has been revised and rewritten to fully incorporate the Companies Act 2006.

The rapid, commercially-driven evolution of the Internet has raised concomitant legal concerns that have required responses from both national and international law. This unique text offers a complete analysis of electronic and mobile commerce, exploring the law relating to online contracts and payment systems, electronic marketing, and various forms of cybercrime as well as the regulation of electronic communications networks and services. Written by specialists, this account also provides insights into emerging areas such as internet libel, online gambling, virtual property, cloud computing, smart cards, electronic cash, and the growing use of mobile phones to perform tasks previously carried out by computers.

The ideal companion for anyone studying company law, Smith & Keenan's Company Law provides you with: Straightforward, accessible coverage of the key legal principles you'll need to understand for your module written by experienced lecturers in the field; A range of features to support your learning and help you study independently, including detailed case summaries and discussion of academic opinion in the area; Extensive further reading suggestions to a wide range of academic articles to encourage deeper understanding and analysis. This eighteenth edition also includes: A new chapter on partnerships and limited liability partnerships (LLPs) An extended chapter on the corporate veil, including *Petrodel Resources Ltd v Prest* [2013] and academic discussion of lifting and piercing the veil of incorporation Discussion of key developments brought about by the Small Business, Enterprise and Employment Act (SBEEA) 2015, including maintenance of a register of people with significant control (PSC); greater restrictions on corporate directors; and the submission of statements of confirmation An updated chapter on the statutory derivative action exploring the evolving case law such as *Wilton UK Ltd v Shuttleworth* [2018].

This text is specifically designed for non-law students studying the law relating to business. Maintaining the accessible approach which has made this book so popular, the authors provide user-friendly explanations to equip students with a good understanding of key legal concepts.
