Sociology: A Brief Introduction 12th Edition - Kindle ...

Sociology: A Brief Introduction invites students to take sociology with them in their daily lives. This successful student-friendly program includes strong coverage of race, ethnicity, and globalization. The approachable material encourages students to develop their sociological imaginations and start to think like a sociologist. Paired with Connect, a personal and adaptive learning experience, students learn to apply sociology's three theoretical frameworks to the world around them.

In this 13th edition, Rick Schaefer provides a comprehensive, up-to-date introduction to sociology that appeals to students with a diversity of learning styles. The text focuses on sociology in the global community and encourages students to think about the world they're living in using a sociological imagination.

Three basic premises guide this highly successful introductory text - first that theory and research must be both comprehensive and clear, second that the text must show how sociology is relevant both to the study of society and to students' lives and third that sociology can play a valuable role in teaching critical thinking skills. To that end, this solid, well respected text combines a balanced three-perspective approach with excellent student oriented examples, and distinctive social policy sections in a concise presentation that offers an alternative to full length books.

Make Sociology new with McGraw-Hill's Connect Sociology and the 10th edition of Sociology: A Brief Introduction. New to Connect is Investigate Sociology, a brand-new tool that develops students' sociological imaginations by placing them in provocative scenarios where they must analyze various sources and determine a solution. Connect also comes with LearnSmart, an adaptive questioning tool proven to increase content comprehension and student results, as well as fun interactivities like In their Shoes and Applying the Perspectives that teach sociology's three theoretical frameworks. Finally, make sure students come prepared to class by assigning our many e-book activities. With McGraw-Hill's digital tools, focus on what you do best—teaching. Unique to this program, Sociology: A Brief Introduction encourages students to take sociology with them in their everyday lives, just as Rick keeps a small notebook of daily sociological events. In Sociology brief, instructors get the most trusted content in manageable form. This, coupled with powerful digital learning tools, makes Sociology brief an ideal choice for your introductory course.

Sociology: A Brief Introduction 10th Edition - Kindle ...

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Understand the Changing Dynamics of the U.S. Population The 13th edition of Schaefer's Racial and Ethnic Groups places current and ethnic relations in a socio-historical context to help readers understand the past and shape the future. This best-selling Race & Ethnic Relations text is grounded in a socio-historical perspective with engaging stories and first person accounts. Race and Ethnic Groups helps students understand the changing dynamics of the U.S. population by examining our history, exploring our current situation, and discussing concerns for the future. This text provides an accessible, comprehensive, and up-to-date introduction to the present issues that confront racial and ethnic groups in the U.S. and around the world. It incorporates the most current statistics and data in the marketplace including the most recent census. Teaching & Learning Experience Personalize Learning -- The new MySoLab delivers proven results in helping students succeed, provides engaging experiences that personalize learning, and comes from a trusted partner with educational expertise and a deep commitment to helping students and instructors achieve their goals. Improve Critical Thinking -- Robust end-of-chapter materials provide students with chapter summary and study materials that help them develop critical thinking skills. Engage Students -- Every chapter contains first-hand commentaries that demonstrate the diversity of various groups. Explore Research -- Research intertwined with information on current events and demographics provides a modern view of our society. Understand Diversity -- Detailed coverage of multiple racial, ethnic, and other minority groups provide students with an extensive view of diverse relations. Support Instructors -- Strong supplements package with author-reviewed activities and assessments in MySoLab. Note: MySoLab does not come automatically packaged with this text. To purchase MySoLab, please visit: www.mysoclab.com or you can purchase a valuepack of the text + MySoLab (at no additional cost). ValuePack ISBN-10: 0205248152 / ValuePack ISBN-13: 9780205248155

Sociology: A Brief Introduction 10th Edition - Kindle ...

A collection for an undergraduate course, providing a theoretical framework and analytical tools and discussing the meaning of race and ethnicity as a social construction. The readings are designed to require students to negotiate between individual agency and the constraints of social structure, an

The Sociology of Mental Illness is a comprehensive collection of readings designed to help students develop a nuanced and sophisticated appreciation of the most important, heated--and fascinating--controversies in the field. Drawing primarily from sociological sources, the text features both classical and contemporary selections that cover the full range of sociological topics, perspectives, and debates, including the social construction of mental illness, the social origins of mental illness, and contemporary mental health treatment. This rich, varied assortment gives students a "roadmap" to the evolution and development of sociological research over time and insight into key controversies in the field. Selections include such classical readings as Scheff's original statement of labeling theory, contemporary reports on the prevalence of mental illness in countries around the world, and recent analyses of the changing treatment system. The readings are organized progressively in order to help students recognize the dynamic character of mental health research and the important role that controversies play in advancements in the field; this organization also gives students the tools they need to formulate their own views and opinions on crucial matters. A versatile, engaging text, The Sociology of Mental Illness is ideal for undergraduate and graduate courses in the sociology of mental illness.
