How does a group that operates terror cells and espouses violence become a ruling political party? How is the world to understand and respond to Hamas, the militant Islamist organization that Palestinian voters brought to power in the stunning election of January 2006? This important book provides the most fully researched assessment of Hamas ever written. Matthew Levitt, a counterterrorism expert with extensive field experience in Israel, the West Bank, and Gaza, draws aside the

veil of legitimacy behind which Hamas hides. He presents concrete, detailed evidence from an extensive array of international intelligence materials, including recently declassified CIA, FBI, and Department of Homeland Security reports. Levitt demolishes the notion that Hamas' military, political, and social wings are distinct from one another and catalogues the alarming extent to which the organization's political and social welfare leaders support terror. He exposes Hamas as a unitary organization committed to a militant Islamist ideology, urges the international community to take heed, and offers well-considered ideas for countering the significant threat Hamas poses.

The characters' interwoven lives will stay with you long after the book's denouement." —Entertainment Weekly "Sacks is an extraordinarily gifted writer whose intelligence, compassion and skill on both the sentence and tension level rise to meet her ambition. gorgeously written novel introduces a large cast of characters from various backgrounds in a setting where violence is routine and where survival is defined by boundaries, walls, and checkpoints that force people to live and love within and across them. Hamid, a college student, has entered Israeli territory illegally for work. Rushing past soldiers, he bumps into Vera, a German journalist headed to Jerusalem to cover the story of Salem, a Palestinian boy beaten into a coma by a group of revenge-seeking Israeli teenagers. On her way to the hospital, Vera runs in front of a car that barely avoids hitting her. The driver is Ido, a new father traveling with his American wife and their baby. Ido is distracted by thoughts of a young Jewish girl murdered by a terrorist who infiltrated her settlement. Ori, a nineteen-year-old soldier from a nearby settlement, is guarding the checkpoint between Bethlehem and Jerusalem through which Samar—Hamid's professor—must pass. These multiple strands open this magnificent and haunting novel of present-day Israel and Palestine, following each of these diverse characters as they try to protect what they love. Their interwoven stories reveal complicated, painful truths about life in this conflicted land steeped in hope, love, hatred, terror, and blood on both sides. *City of a Thousand Gates* brilliantly evokes the universal drives that motivate these individuals to think and act as they do—desires for security, for freedom, for dignity, for the future

of one's children, for land that each of us, no matter who or where we are, recognize and share.

During the first Palestinian uprising in 1990, Jeffrey Goldberg - an American Jew - served as a guard at the largest prison camp in Israel. One of his prisoners was Rafiq, a rising leader in the PLO. Overcoming their fears and prejudices, the two men began a dialogue that, over more than a decade, grew into a remarkable friendship. Now an award-winning journalist, Goldberg describes their relationship and their confrontations over religious, cultural, and political differences; through these discussions, he attempts to make sense of the conflicts in this embattled region, revealing the truths that lie buried within the animosities of the Middle East.

"The General's Son" is the powerful account, by Israeli peace activist Miko Peled, of his transformation from a young man who'd grown up in the heart of Israel's elite and served proudly in its military into a fearless advocate of nonviolent struggle and equal rights for all Palestinians and Israelis. (His journey mirrored in many ways the transformation his father, a much-decorated Israeli general, had undergone three decades earlier.) In "The General's Son," Peled paints touching portraits of his childhood in Jerusalem, of the tumultuous

events that sparked his transformation, and of the Palestinian and Israeli peace activists he has worked with in recent years. When the first edition of "The General's Son" appeared in 2012, Pulitzer Prizewinning author Alice Walker contributed a Foreword in which she wrote, "There are few books on the Israel/Palestine issue that seem as hopeful to me as this one." After the first edition came out, Peled took its message to enthusiastic audiences around the United States and the world. For this new edition, he added an Epilogue that takes readers with him on many of these journeys: to South Africa, East Asia, several European countries, and the West Bank, Gaza, and Israel itself. He also reflects on his continuing inner journey to understand more deeply the requirements of a peaceful order."
