Control dinosaurs. Tame women. Rule the world. Victor and his tribe of beautiful women prepare to leave their fort and journey to their new base, but as usual with Dinosaurland, things never go according to plan. Now Victor must protect all of his tribe without the aid of walls, and an old enemy gathers an army to give chase. Victor will have to use every power at his disposal to protect his women, and the journey will uncover new secrets of this strange world.

Flash Thompson is many things. Soldier. Veteran. Double amputee. Host to a powerful alien symbiote. Guardian of the Galaxy. Now Flash is tasked with being an intergalactic ambassador of Earth and an Agent of the Cosmos! Join Flash for high adventure in deep space as he swashbuckles his way across the universe! But as Venom travels the galaxy, helping the helpless and punishing the violent, he is being trailed by a mysterious warship. Collects Venom: Spaceknight #1-5.

Vidarian Rulorat, called the Tesseract, a powerful magic-user whose abilities spread across multiple elements, finds himself at war with the Alorean Import Company, a powerful cabal of merchants wealthy enough to buy nations. By opening the gate between worlds, Vidarian released the Starhunter, goddess of chaos. With her coming, wild magic returned to the world of Andovar, bringing with it shape-changers and strange awakened elemental technologies, including many-sailed ships powered by air magic, and mechanical automata lit from within by earth and fire. Now, Vidarian discovers that the Alorean Import Company is determined to eliminate two-thirds of this new life on Andovar in the hopes of hoarding more magic for themselves in a new, worldwide plutocracy. Along with his human, gryphon, and shapechanger allies, he must stop the Company if he is to safeguard any future for the diverse life of Andovar, including his and Ariadel's newborn daughter. With the existence of whole species hanging in the balance, Vidarian is locked in a race for the future of the world.

Being the head of a monster-girl homestead isn't easy. Yeah, there is plenty of awesome sex and cute/horrific monster babies, but Ken Jewell soon has his hands full when a big band of bounty hunters start looking for "Crazy Ken" in the surrounding wilderness. To grow his small empire, Ken's going to have to find some new monster women to make clever and strong babies with. And where does a human soldier from Earth find monster girls to make babies with? The Underdark!

To protect the crew against betrayal, Captain Cross sends the Stalwart on a training mission to Ecoma, a gas giant populated by evolved humans with dangerous empathic abilities. The journey was supposed to be easy: Acquire training from the evolved humans, negotiate the use of magical devices that can protect the knights from mind control, and get a bit of R&R. Of course, nothing is ever easy with the Stalwart, and Squire Nicholas Lyons soon finds himself battling for his life against sensual mind readers, hordes of bloodthirsty Grendels, enemy kingdom warriors, and a berserker knight named Olav.

Pan's life used to be very small. Work in her dad's body shop, sneak out with her friend Tara to go dancing, and watch the skies for freighter ships. It didn't even matter that Tara was a princess... until one day it very much did matter, and Pan had to say goodbye forever. Years later, when a charismatic pair of off-world gladiators show up on her doorstep, she finds that life might not be as small as she thought. On the run and off the galactic grid, Pan discovers the astonishing secrets of her neo-medieval world... and the intoxicating possibility of burning it all down.

FRIGHTENED MONSTERS. STOLEN TIME. AND ONE SERIOUSLY UNDERESTIMATED DAMSEL. Katie ran from the magical world years ago. She never planned on being dragged back in by a prophesying clamshell. The seers believe she alone can prevent an apocalypse of ruined time and broken worlds. Bran the Crow King believes she can save him from his cannibalistic grandfather. Katie believes they're all nuts. One thing is for certain: she's not waiting around for help. Operation Katie Saves her Own Damn Self is officially on.

Be careful what you wish for. Your dream might come true. This is a humorous story about Chad Smith who had his greatest hope fulfilled but with results he could never have imagined. His ambition was to play ball in the Major League. Only one thing held him back from playing professional baseball in the majors. Through a freak accident this shortcoming is removed but the transformation leads to an unorthodox style of play. His success arouses a number of emotions in the other players, team managers and owners of the baseball teams. He is swept away into a beehive of controversy.

An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students.

The knighthood examination has arrived. Few squires pass the initial round, and even fewer make it through the final test alive. The odds are stacked against every squire, but the Stalwart crew uncovers a Pure-Blood noble conspiracy to sabotage Nick
