The Space Marines are numbered amongst the most elite warriors in the Imperium. Created by the Emperor himself from the genetic material of the demigod Primarchs, they are the ultimate soldiers for a cruel and terrible age. Inside this 208-page hardback codex, you'll find everything you need to unleash the Space Marines in battle, plus thrilling lore and art to inspire your own collection.

At the very birth of the Imperium of Man, fully half of the Emperor's most trusted Space Marine Legions turned against him in a bitter civil war. Brother fought brother, and Mankind stood upon the very brink of

extinction. Ten thousand years after their defeat, those same traitors still launch their black crusades out of the Eye of Terror, intent upon nothing less than the utter destruction of the Imperium and the death of its weakling Emperor. This book provides an army list and sections on background, hobby section and special characters to accompany the game.

The deep sea is an environment completely unfriendly to mankind; it represents one of the least explored areas on Earth. Pressures in the mesopelagic zone become too great for traditional exploration methods, demanding alternative approaches for deep sea research. What is beneath the depths of the sea? Featuring award-winning authors including Deborah Sheldon, Liz Butcher, Gerry Huntman, and more!

'Project Cheers is a story of brilliant organization and endeavor by three men dedicated to an idea which many thought crazy. That idea was a fantastically fast twin hulled craft called Cheers, designed specifically by Dick Newick to win the Single-handed Transatlantic Race in 1968.' This is the second edition of this historically significant sailing classic since its first publishing in 1969. A
