reported visitation from author J.R.R.

Tolkien in Leek! Haunted Staffordshire is sure to fascinate everyone with an interest in the area's haunted history.

Groups of young evacuees, standing on railway stations with gas masks and cardboard suitcases have become an iconic image of wartime Britain, but their histories have eclipsed those of women whose domestic lives were affected. This book explores the effects of this unparalleled interference in the domestic lives of women, looking at the impact on everyday experience and on ideas of femininity, domesticity and motherhood. Maggie Andrews argues that wartime evacuation is important for understanding

Of The First World War
the experience and the contested meanings of domesticity and motherhood in the 20th century. As this book shows, evacuation represents a significant and unrecognised area of women's war work, and precipitated the rise of competing public discourses about domestic labour and motherhood.

□ For a week in April 1916, 2,000 Irish Volunteers rose up in armed rebellion against the British Empire in a bid to establish an independent Irish state. Tracing the establishment of the various organizations involved, this account of the Easter Rising provides a day to day narrative by those who took part, along with personal accounts of the trial, the execution of the rebel leaders and the imprisonment of the surviving Volunteers. Atrocities and murders that took place on both sides are described in detail based on
