Magdalys and her friends flee to Brooklyn and settle in the Dactyl Hill neighborhood, where black and brown New Yorkers have set up an independent community--a safe haven from the threats of Manhattan. Though Han Solo has thrilled Star Wars fans for decades, the notorious wisecracking scoundrel was chasing adventure and dodging trouble long before he walked into the cantina at Mos Eisley spaceport. Young Han dreams of someday soaring into space at the helm of his own starship and leaving his home, the gritty industrial planet Corellia, far behind. But as long as he's trapped in a life of poverty and crime—and under the thumb of the sinister Lady Proxima and her brutal street gang—reaching the distant stars seems impossible. When Han tries to escape with his girlfriend and partner-in-crime, Qi'ra, he makes it out—but she doesn't. Desperate for a way to find his own offworld vessel and free her, Han enlists in the Imperial Navy—the last place for a rebellious loner who doesn't play well with others. When the Empire clips his wings, Han goes rogue and plunges into the shady world of smugglers, gamblers, and con artists. There he meets the charming and cunning high roller Lando Calrissian, makes an unlikely friend in a cantankerous Wookiee called Chewbacca, and first lays
