Savage People / Series / LibraryThing

Robbie Savage could have been just another Manchester United reject. Instead, he used the Old Trafford scrapheap as a springboard to become one of the most instantly recognisable footballers in the Premier League, despite being told by Sir Alex Ferguson he was not good enough to stay in the class of '92 alongside David Beckham, Paul Scholes, Ryan Giggs, Nicky Butt and Gary Neville. For the ...

Savage! / Paperback / Book People

Stepdaddy Savage is a smutty Taboo novella featuring an over-the-top alpha. Read at your own risk. You do not say no to Graham Savage, because Graham Savage doesn't ask. Just like his name suggests, he takes, and right now, he believes I'm his. He is a cold, calculated, ruthless, formidable Irish mobster, and... my step-dad.

American author Dan Savage (born October 7, 1964) has written six books, op-ed pieces in The New York Times, and an advice column on sexual issues in The Stranger (an alternative newspaper from Seattle, Washington). A graduate of the University of Illinois at Urbana-Champaign, Savage began contributing a column, Savage Love, to The Stranger from its inception in 1991.

Braelyn I'm nobody. Homeless, afraid of my own shadow and haunted by memories. I went through the motions, but I wasn't living. Until him.

He made me live again. He became my everything. Until he came back. The man that caused me to live in my own personal hell for years. Ethan Brae is broken. She's haunted by memories. I saw the fire in her eyes flicker and it was enough. It consumed me. I was determined to see her thrive. I didn't expect to fall in love with her and that it would become everything. Nothing will stop me from protecting her. He will pay for her pain

Bellwether Prize winner Hillary Jordan's provocative new novel, *When She Woke*, tells the story of a stigmatized woman struggling to navigate an America of a not-too-distant future, where the line between church and state has been eradicated and convicted felons are no longer imprisoned and rehabilitated but chromed—their skin color is genetically altered to match the class of their crimes—and then released back into the population to survive as best they can. Hannah is a Red; her crime is murder. In seeking a path to safety in an alien and hostile world, Hannah unknowingly embarks on a path of self-discovery that forces her to question the values she once held true and the righteousness of a country that politicizes faith.

“Jody is a masterful storyteller, with beautifully developed characters, incredible landscapes and every now and then she throws in a plot twist that will leave you reeling.” —Goodreads review Did you hear the rumor about the girl from the wrong side of the tracks who intentionally got pregnant with her wealthy boyfriend's baby? The one thing that's made perfect sense in Ginny Adair's eighteen years was falling for level-headed Eric Cavanaugh. Growing up wasn't exactly the same kind of party for her that it was for her boyfriend. While Eric and the other quintuplets ran roughshod over their family's Texas ranch, Ginny was hiding from a cruel stepfather with a compulsive gambling habit. Uncertain if leaving for college might mean losing the one person she's come to count on, all it takes is a single misstep for Ginny to unravel both of their lives. Now the entire small town is convinced Ginny always intended on cashing in on the notoriety of snagging herself a Kingsbrier Quintuplet. Eric Cavanaugh's infamously misbehaved siblings count on his dependability. Stable grades. Stable relationship with a girlfriend the rest of the quints agree is just about the nicest, smartest, most trustworthy person they know. But when Ginny's actions prove deceitful, it leaves Eric's solid plan to take over the family business on shaky ground and leaves him questioning if his brothers and sisters have misplaced their confidence in him. To make matters worse, Ginny's stepfather is proving he'll do anything to get his hands on Eric's trust fund. Eric knows Ginny isn't like that and will do anything to earn his forgiveness. Some mistakes change the course of your future... But a baby is a mistake you can't take back.

A brilliant, boundary-leaping debut novel tracing twelve-year-old genius map maker T.S. Spivet's attempts to understand the ways of the world When twelve-year-old genius cartographer T.S. Spivet receives an unexpected phone call from the Smithsonian announcing he has won the prestigious Baird Award, life as normal-if you consider mapping family dinner table conversation normal-is interrupted and a wild cross-country adventure begins, taking T.S. from his family ranch just north of Divide, Montana, to the museum's hallowed halls. T.S. sets out alone, leaving before dawn with a plan to hop a freight train and hobo east. Once aboard, his adventures step into high gear and he meticulously maps, charts, and illustrates his exploits, documenting mythical wormholes in the Midwest, the urban phenomenon of "rims," and the pleasures of McDonald's, among other things. We come to see the world through T.S.'s eyes and in his thorough investigation of the outside world he also reveals himself. As he travels away from the ranch and his family we learn how the journey also brings him closer to

Get Free Stepdaddy Savage Savage People Book 1

home. A secret family history found within his luggage tells the story of T.S.'s ancestors and their long-ago passage west, offering profound insight into the family he left behind and his role within it. As T.S. reads he discovers the sometimes shadowy boundary between fact and fiction and realizes that, for all his analytical rigor, the world around him is a mystery. All that he has learned is tested when he arrives at the capital to claim his prize and is welcomed into science's inner circle. For all its shine, fame seems more highly valued than ideas in this new world and friends are hard to find. T.S.'s trip begins at the Copper Top Ranch and the last known place he stands is Washington, D.C., but his journey's movement is far harder to track: How do you map the delicate lessons learned about family and self? How do you depict how it feels to first venture out on your own? Is there a definitive way to communicate the ebbs and tides of heartbreak, loss, loneliness, love? These are the questions that strike at the core of this very special debut. Now a major motion picture directed by Jean-Pierre Jeunet and starring Kyle Catlett and Helena Bonham Carter.

Based on a true story, this edition of Devil's Knot will tie-in to a major motion picture starring Academy Award winners Reese Witherspoon and Colin Firth. This riveting portrait of a small Arkansas town recounts the all-too-true story of a brutal triple murder and the eighteen-year imprisonment of three innocent teenagers. For weeks in 1993, after the grisly murders of three eight-year-old boys, police in West Memphis, Arkansas, seemed stumped. Then suddenly, detectives charged three teenagers - alleged members of a satanic cult - with the killings. Despite the witch-hunt atmosphere of the trials and a case that included stunning investigative blunders, the teenagers, who became known as the West Memphis Three, were convicted. Jurors sentenced Jason Baldwin and Jessie Misskelley to life in prison and Damien Echols, the accused ringleader, to death. The guilty verdicts were popular in their home state - even upheld on appeal - and all three remained in prison until their unprecedented release in August 2011. In Devil's Knot, award-winning investigative journalist Mara Leveritt presents the most comprehensive, insightful reporting ever done on this story - one of the greatest miscarriages of justice in American legal history. In-depth research, meticulous reconstruction of the investigation and close-up views of its key participants unravel the many tangled knots of this endlessly shocking case.

Now an award-winning Netflix film by Jane Campion, starring Benedict Cumberbatch and Kirsten Dunst: Thomas Savage's acclaimed Western is "a pitch-perfect evocation of time and place" (Boston Globe) for fans of East of Eden and Brokeback Mountain. Set in the wide-open spaces of the American West, The Power of the Dog is a stunning story of domestic tyranny, brutal masculinity, and thrilling defiance from one of the most powerful and distinctive voices in American literature. The novel tells the story of two brothers — one magnetic but cruel, the other gentle and quiet — and of the mother and son whose arrival on the brothers' ranch shatters an already tenuous peace. From the novel's startling first paragraph to its very last word, Thomas Savage's voice — and the intense passion of his characters — holds readers in thrall. "Gripping and powerful...A work of literary art." —Annie Proulx, from her afterword

The Sheep Queen is a Western epic in miniature, the story of Emma Russell Sweringen, known as the Sheep Queen of Idaho ("surely one of the most fascinating characters in current fiction" -- Publishers Weekly); the daughter who disappointed her; the grandson who adored her; and the granddaughter, who was given up for adoption, who spent nearly half her life finding her way back to her family.

Pulitzer Prize-winning journalist Charlie Savage's penetrating investigation of the Obama presidency and the national security state. Barack Obama campaigned on changing George W. Bush's "global war on terror" but ended up entrenching extraordinary executive powers, from warrantless surveillance and indefinite detention to military commissions and targeted killings. Then Obama found himself bequeathing those authorities to Donald Trump. How did the United States get here? In *Power Wars*, Charlie Savage reveals high-level national security legal and policy deliberations in a way no one has done before. He tells inside stories of how Obama came to order the drone killing of an American citizen, preside over an unprecedented crackdown on leaks, and keep a then-secret program that logged every American's phone calls. Encompassing the first comprehensive history of NSA surveillance over the past forty years as well as new information about the Osama bin Laden raid, *Power Wars* equips readers to understand the legacy of Bush's and Obama's post-9/11 presidencies in the Trump era.

In order to avoid the dramas that Shelby and Kait have gone through, Abby sets new rules for dating that requires meeting new people, but when she starts to fall in love with the father of Kait's baby, she worries about what will happen when others find out.

Annotation Containing three plays from the apex of Chekhov;s dramatic achievement - *The Cherry Orchard*, *Three Sisters* and *The Seagull* translated by Constance Garnett.
