In *Sycamore Row*, Grisham perfectly weaves a narrative of complex family dynamics, shady politics, greed, racism, fears, angst and sorrow with the contrasting human need for justice, hope, love and redemption. A thoroughly good read.

"Homecoming" takes us back to Ford County, the fictional setting of many of John Grisham's unforgettable stories. Jake Brigance is back, but he's not in the courtroom. He's called upon to help an old friend, Mack Stafford, a former lawyer in Clanton, who three years earlier became a local legend when he stole money from his clients, divorced his wife, filed for bankruptcy, and left his

His homecoming does not go as planned. In "Strawberry Moon," we meet Cody Wallace, a young death row inmate only three hours away from execution. His lawyers can't save him, the courts slam the door, and the governor says no to a last-minute request for clemency. As the clock winds down, Cody has one final request. As the firm disintegrates, the resulting fiasco falls into the lap of Diantha Bradshaw, the only person the partners trust. Can she save the Malloys, or does she take a stand for the first time in her career and try to save herself? By turns suspenseful, hilarious, powerful, and moving, these are three of the greatest stories John Grisham has ever told.
