This article explores
the concept of the
"active reader," which
is getting more and

more attention
nowadays. Its main
aim is to present a
typology of what this
active readership
means, in the phases
before actual reading,
in the reading phase,
and in the after-
reading phase. The
elements of this
typology are
subsequently
explicated.

comparing it to what it
is not, what's
sometimes called
passive reading.
