cracked up on the job and  
concluding with his  
supervising a group of at-

reveals the art, science,  
and history of surveying, an  
endeavor that turns out to  
be surprisingly profound.

Now in its third edition,  
American Military History  
examines how a country

shaped by race, ethnicity,  
economy, regionalism, and  
power has been equally  
influenced by war and the  
struggle to define the role  
of a military in a free and  
democratic society.
