The Angel Hunt (Dark World: The Angel Trials Book 2), page 1. "I can't believe we left Margo by the side of the freeway in the middle of nowhere, Texas," Sage mourned the loss of her Range Rover—the car she'd named Margo—as we sped down the road. I had a feeling she wasn't going to get over this anytime soon, as evidenced by the way she was pouting in the driver seat of the truck we'd stolen from the coyote shifters who'd attacked us.

Ariane lived her life one book at a time. She would never have guessed those books were about to change everything. They led her to Orion. One thing has become incredibly clear to Alexis and Kieran, if they hope to last in the arena of Demigods, they'll need a more robust defense team. I would not ...

The hunt for demons is about to heat up. Somehow Raven has convinced Noah and Sage--the two wolf shifters who saved her from a demon attack--to let her tag along on their quest to kill ten demons. The payoff for completing the mission? Entrance to the mystical island of Avalon, where Raven will go through trials to gain the strength she needs to save her mom's life. Raven wants to help the shifters on their quest. But Noah refuses to put her in any danger--which makes no sense, since he hates her. At least she thinks he hates her... until he catches her off guard and kisses her. Suddenly they're connected in ways she doesn't understand, and she feels closer to him than ever. If she didn't know any better, she'd think they imprinted on each other. But that's impossible. Because shifters can't imprint on humans. And if they did imprint on each other, then the supernatural world is changing--and Raven's right in the center of it. Emotions will flare between Raven and Noah in the second book in The Angel Trials series, an urban fantasy adventure with romance, magic, and twists that will keep you reading long into the night!

This bundle includes all seven books in The Angel Trials series by USA Today bestselling author Michelle Madow! I thought magic didn't exist. I was so, so wrong. I'm just a typical college student... until a demon attacks me on the night of my twenty-first birthday. Luckily, I'm saved by Noah--a mysterious, sexy wolf shifter who appears and disappears before I can ask him any questions. Then my mom is abducted by the same demon who came after me. And who turns up at the scene of the crime again? Noah. He's hunting the demons who are taking humans, and he's ultimately heading where I need to go to save my mom--the mystical island of Avalon. Now I'm joining Noah's demon hunting mission whether he wants me there or not. Which he doesn't. But nothing stops me, so Noah and I will have to learn to work together--if we don't kill each other first. More importantly, I have to survive his crazy demon hunt. Because surviving is the only way to get to Avalon and save

Be careful who you trust, or you might walk into a trap. After putting her neck on the line to save Noah and Sage's lives, Raven is on the brink of death. The only thing that might save her? Vampire blood. The problem is, no one's supposed to know that vampire blood can heal humans. Anyone who finds out will be silenced. Which means Sage and Noah need to take Raven to a vampire they can trust. But shifters don't normally trust vampires, so they only know one vampire who fits that category. Thomas Bettencourt is a vampire prince who rules an elite coven in Chicago. And thanks to his secret history with Sage, he might be willing to save Raven's life. But only if they agree to his conditions. Now they have two choices-accept Thomas's demands, or let Raven die. And after imprinting on Raven, Noah will do anything to ensure she survives. Even if that means making a deal with a vampire. Get ready for more romance, adventure, and twists in The Angel Trap, the shocking third installment in The Angel Trials series!
