Harry Bosch, LA homicide detective, investigates the murder/death of a Vietnam war veteran he knew finding out his death is part of a much bigger bank heist job. flag Like · see review Jun 02, 2015 Al Stoess rated it it was amazing Recommends it for: Connelly fans.

The Black Echo / The Black Ice by Michael Connelly

In this fast-paced sequel to The Black Echo, LAPD detective Harry Bosch continues to investigate the drug-trafficking underworlds of inner-city Los Angeles and the wastelands of Mexico. When he discovers the body of a fellow police officer in a sleazy hotel, Harry gets entangled in a brutal web of violence and drugs. Edition Details.

The Black Ice book by Michael Connelly

Relevance Newest Arrivals Best-selling Title Running Time Avg. Customer Review. The Black Ice: Harry Bosch Series, Book 2. By: Michael Connelly. Narrated by: Dick Hill. Length: 11 hrs and 38 mins. Unabridged. Overall. 4.5 out of 5 stars 10,447. Performance.

When an LAPD narcotics officer is found with a fatal bullet wound and a suicide note, Detective Harry Bosch follows a bloody trail of drug murders across the Mexico border. Working the case, LAPD detective Harry Bosch is reminded of the primal police rule he learned long ago: Don't look for the facts, but the glue that holds them together. Soon Harry's making some very dangerous connections, starting with a dead cop and leading to a bloody string of murders that wind from Hollywood Boulevard to the back alleys south of the border. Now this battle-scarred veteran will find himself in the center of a complex and deadly game—one in which he may be the next and likeliest victim.

For the first time in one volume, the three novels that introduced Michael Connelly's great LAPD homicide detective, maverick Hieronymous (Harry) Bosch. The Black Echo (Winner of the Edgar Award for Best First Novel) For Harry Bosch-hero, loner, nighthawk-the body stuffed in a drainpipe off Mulholland Drive isn't just another statistic. This one is personal. Billy Meadows was a fellow Vietnam "tunnel rat," fighting the VC and the fear they used to call the Black Echo. Harry let Meadows down once. He won't do it again. The Black Ice The corpse in the hotel room seems to be that of a missing LAPD narcotics officer. Rumors abound that the cop had crossed over-selling a new drug called Black Ice. Now Harry's making some dangerous connections, leading from the cop to a string of bloody murders, and from Hollywood Boulevard's drug bazaar to Mexico's dusty back alleys. In this lethal game, Harry is likely to be the next victim. The Concrete Blonde When Harry Bosch shot and killed Norman Church, the police were convinced it marked the end of the hunt for the Dollmaker-L.A.'s most bizarre serial killer. But now Church's widow is accusing Harry of killing the wrong man—a charge that rings terrifyingly true when a new victim is discovered with the Dollmaker's macabre signature. For the second time, Harry must hunt the murderer down, before he strikes again. Together, these three novels are the perfect way to discover, or rediscover, the sleuth the New York Times Book Review called a "wonderful, old-fashioned hero who isn't afraid to walk through the flames."

An LAPD homicide detective must choose between justice and vengeance as he teams up with the FBI in this "thrilling" novel filled with mystery and adventure (New York Times Book Review). For maverick LAPD homicide detective Harry Bosch, the body in the drainpipe at Mulholland Dam is more than another anonymous statistic. This one is personal . . . because the murdered man was a fellow Vietnam "tunnel rat" who had fought side by side with him in a hellish underground war. Now Bosch is about to relive the horror of Nam. From a dangerous maze of blind alleys to a daring criminal heist beneath the city, his survival instincts will once again be tested to their limit. Pitted against enemies inside his own department and forced to make the agonizing choice between justice and vengeance, Bosch goes on the hunt for a killer whose true face will shock him.

The second Harry Bosch novel: Harry Bosch investigates the drug-trafficking underworlds of inner city Los Angeles and the wastelands of Mexico.

In this "superb" thriller, Detective Harry Bosch links the bullet from a recent crime to the unsolved killing of a young female photographer during the 1992 L.A. riots (Wall Street Journal). In a case that spans 20 years, Harry Bosch links the bullet from a recent crime to a file from 1992, the killing of a young female photographer during the L.A. riots. Harry originally investigated the murder, but it was then handed off to the Riot Crimes Task Force and never solved. Now Bosch's ballistics match indicates that her death was not random violence, but something more personal, and connected to a deeper intrigue. Like an investigator combing through the wreckage after a plane crash, Bosch searches for the "black box," the one piece of evidence that will pull the case together. Riveting and relentlessly paced, The Black Box leads Harry Bosch, "one of the greats of crime fiction" (New York Daily News), into one of his most fraught and perilous cases.

LAPD Detective Harry Bosch tackles three tough cases that span a legendary career in this never-before-collected trio of stories. In "Christmas Even," the case of a burglar killed in mid-heist leads Bosch to retrace a link to his past. In "Father's Day," Bosch investigates a young boy's seemingly accidental death and confronts his own fears as a father. In "Angle of Investigation," Bosch delves into one of the first homicides he ever worked back as a uniformed rookie patrolman, a case that was left unsolved for decades. Together, these gripping

stories span Bosch's controversial career at the LAPD, and show the evolution of the haunted, legendary investigator he would become. Utterly unputdownable, they are proof that "Connelly never stops doling out the suspense....Once it grabs you in those first few pages, it won't let go of you" (Boston Globe).

Detective Harry Bosch was sure he'd shot the serial killer responsible for a string of murders in LA . . . but now, a new crime makes him question his convictions. The Dollmaker was the name of the serial killer who had stalked Los Angeles ruthlessly, leaving grisly calling cards on the faces of his female victims. Now with a single faultless shot, Detective Harry Bosch thinks he has ended the city's nightmare. But the dead man's widow is suing Harry and the LAPD for killing the wrong man-- an accusation that rings terrifyingly true when a new victim is discovered with the Dollmaker's macabre signature. So for the second time, Harry must hunt down a death-dealer who is very much alive, before he strikes again. It's a blood-tracked quest that will take Harry from the hard edges of the L.A. night to the last place he ever wanted to go-- the darkness of his own heart. With *The Concrete Blonde*, Edgar Award-winning author Michael Connelly has hit a whole new level in his career, creating a breathtaking thriller that thrusts you into a blistering courtroom battle-- and a desperate search for a sadistic killer.

A lawyer is found murdered on the eve of a landmark trial at the foot of Angels Flight, a cable railway in downtown Los Angeles.

In this "tense" thriller and #1 New York Times bestseller, Detective Harry Bosch teams up with Lincoln Lawyer Mickey Haller to track down a killer who just might find them first (Wall Street Journal). Detective Harry Bosch has retired from the LAPD, but his half-brother, defense attorney Mickey Haller, needs his help. A woman has been brutally murdered in her bed and all evidence points to Haller's client, a former gang member turned family man. Though the murder rap seems ironclad, Mickey is sure it's a setup. Bosch doesn't want anything to do with crossing the aisle to work for the defense. He feels it will undo all the good he's done in his thirty years as a homicide cop. But Mickey promises to let the chips fall where they may. If Harry proves that his client did it, under the rules of discovery, they are obliged to turn over the evidence to the prosecution. Though it goes against all his instincts, Bosch reluctantly takes the case. The prosecution's file just has too many holes and he has to find out for himself: if Haller's client didn't do it, then who did? With the secret help of his former LAPD partner Lucy Soto, Harry starts digging. Soon his investigation leads him inside the police department, where he realizes that the killer he's been tracking has also been tracking him. Thrilling, fast-paced, and impossible to put down, *The Crossing* shows without a shadow of doubt that Connelly is "a master of building suspense" (Wall Street Journal).

Near Mulholland Drive, Dr. Stanley Kent is found shot twice in the back of the head. It's the case LAPD detective Harry Bosch has been waiting for, his first since being recruited to the Homicide Special Squad. When he discovers that Kent had access to dangerous radioactive substances, what begins as a routine investigation becomes something darker, more deadly, and frighteningly urgent. Bosch is soon in conflict with not only his superiors but the FBI, which thinks the case is too important for just a cop. Complicating his job even more is the presence of Agent Rachel Walling, his onetime lover. Now guarding one slim advantage, Bosch relentlessly follows his own instincts, hoping they are still sharp enough to find the truth--and a killer who can annihilate an entire city.
