Gain some insight into the game of life... Game Theory means rigorous strategic thinking. It is based on the idea that everyone acts competitively and in his own best interest. With the help of mathematical models, it is possible to anticipate the actions of others in nearly all life's enterprises. This book includes down-to-earth examples and solutions, as well as charts and illustrations designed to help teach the concept. In The Complete Idiot's Guide© to Game Theory, Dr. Edward C. Rosenthal makes it easy to understand game theory with insights into:
? The history of the disciple made popular by John Nash, the mathematician dramatized in the film A Beautiful Mind
? The role of social behavior and psychology in this amazing discipline
? How important game theory has become in our society and why

You're no idiot, of course. You know Taoism is one of the world's oldest religions, based on simplicity and balance. However, you may not know it has important parallels with modern Western life: health, ecology, even in such pop culture icons as Luke Skywalker and The Beatles. But you don't have to sit at the feet of a Taoist master to learn how the Taoist tradition has enlightened seekers throughout the centuries! The Complete Idiot's Guide© to Taoism will show you exactly why Taoist principles appeal to people from every walk of life! In this Complete Idiot's Guide©, you get:
--The history of the Daode Jing, the world's shortest core religious text, and Laozi, its mysterious author.
--The teachings of Zhuangzi, the often-overlooked master sage of Taoism.
--An explanation of ying-yang and what it represents.
--Taoism's relationship to Zen Buddhism.
