A captivating collection of enduring verse by one of the Victorian era's most beloved poets Rossetti is unique among Victorian poets for the sheer range of her subject matter and the variety of her verse form. This collection brings together fantasy poems, such as Goblin Market, and terrifyingly vivid verses for children, love lyrics and sonnets, and the vast body of her devotional poetry. Rossetti's poems weave connections between love and death, triumph and loss, heavenly joys and earthly pleasures. The directness and clarity of her lyrics still have the power to startle us with their truth and beauty. "I may assert Eternal Providence And justify the ways of God to men" John Milton was a master of almost every type of verse, from the classical to the religious and from the lyrical to the epic. His early poems include the devotional 'On the Morning of Christ's Nativity', 'Comus', a masque, and the pastoral elegy 'Lycidas'. After Cromwell's death and the dashing of Milton's political hopes, he began composing Paradise Lost, which reflects his profound understanding of politics and power. Written when Milton was at the height of his abilities, this great masterpiece fuses the Christian with the classical in its description of the fall of Man. In Samson Agonistes, Milton's last work, the poet draws a parallel with his own life in the hero's struggle to renew his faith in God. In this edition of the Complete Poems, John Leonard draws attention to words coined by Milton and those that have changed their meaning since his time. He also provides full notes to elucidate Biblical, classical and historical allusions and has modernized spelling, capitalization and punctuation. In 1855 Walt Whitman published Leaves of Grass, the work which defined him as one of America's most influential voices, and which he added to throughout his life. A collection of astonishing originality and intensity, it spoke of politics, sexual emancipation and what it meant to be an American. From the joyful 'Song of Myself' and 'I Sing the Body Electric' to the elegiac 'When Lilacs Last in the Dooryard Bloom'd', Whitman's art fuses oratory, journalism and song in a vivid celebration of humanity.

Member of Parliament, tutor to Oliver Cromwell's ward, satirist, and friend of John Milton, Andrew Marvell was one of the most significant poets of the seventeenth century. The Complete Poems demonstrates his unique skill and immense diversity, and includes lyrical love poetry, religious works, and biting satire. From the passionately erotic "To His Coy Mistress" to the astutely political Cromwellian poems and the profoundly spiritual "On a Drop of Dew," in which he considers the nature of the soul, these works are masterpieces of clarity and metaphysical imagery. This Penguin Classics edition includes authoritative texts of these poems, based on a detailed study of the extant manuscripts, and a new introduction by leading scholar Jonathan Bate. Also included are a chronology, further reading selections, appendices, notes, and indexes. Originally published between 1909 and 1917 under the name "Harvard Classics," this stupendous 51-volume set-a collection of the greatest writings from literature, philosophy, history, and mythology-was assembled by American academic CHARLES WILLIAM ELIOT (1834-1926), Harvard University's longest-serving president. Also known as "Dr. Eliot's Five Foot Shelf," it represented Eliot's belief that a basic liberal education could be gleaned by reading from an anthology of works that could fit on five feet of bookshelf. Volume IV features all the verse written in the English language by English poet JOHN MILTON (1608-1674), including the essential Paradise Lost and Paradise Regained, plus "Song on May Morning," "Sonnet to the Nightingale," "The Passion," "To a Virtuous Young Lady," and others.

This collection includes all the poems from the incomplete "Collected Poems" of 1929 and from the separate smaller volumes issued during Lawrence's lifetime; uncollected poems; an appendix of juvenilia and another containing variants and early drafts; and all Lawrence's critical introductions to his poems. It also includes full textual and explanatory notes. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. No poet has been more wilfully contradictory than John Donne, whose works forge unforgettable connections between extremes of passion and mental energy. From satire to tender elegy, from sacred devotion to lust, he conveys an astonishing range of emotions and poetic moods. Constant in his work, however, is an intensity of feeling and expression and complexity of argument that is as evident in religious meditations such as 'Good

Friday 1613. Riding Westward' as it is in secular love poems such as 'The Sun Rising' or 'The Flea'. 'The intricacy and subtlety of his imagination are the length and depth of the furrow made by his passion,' wrote Yeats, pinpointing the unique genius of a poet who combined ardour and intellect in equal measure.
