Grayson Locke Danforth, in his wildest of dreams, never expected two things. The first was to be recalled from India by Queen Victoria where he worked for the quiet purposes of the crown. He must now become the Duke of Warrick after the tragic deaths of his father and brothers. However, tragedy is entirely in the eyes of the beholder, and Grayson doesn't want the title, or to return to what remains of his family. Grayson wants to remain invisible, an outcast, a man in exile for the way his body and mind behave and the secrets he needs to keep. The second thing he never expected was to be forced into marriage to a woman from the twenty-first century. Lulu is no mere woman, however. She's a switch who works as a professional Dominatrix-at least, she did. When she wakes up in a strange house, a strange world, a strange body, she isn't quite sure what to think and is certain she's dreaming. She has less than a day to gain her bearings and make a decision that will dictate the rest of her life in this world-whether or not to marry this beautiful stranger. As Lulu and Grayson attempt to begin a life together, she discovers the true reason why this man is a stranger to his family. She can only hope she can persuade Grayson to accept who she is, and who he was born to be, before he forces her out of his life in order to maintain his well-kept secrets. Trust doesn't come easily to either of them, but it's the only thing they have. Grayson will have to give in to his need to submit in order to get his wife to open up and allow him to possess her fully in return. It's a cautious dance between two people who have never known how to trust, or love. This book was formerly titled ABSOLUTE SURRENDER (no other changes have been made) Happiness was always too much for Lady Amelia to hope for. Now all she expects is to secure her future and marry the Duke of Castleberry, as arranged. But Amelia has a dangerous secret that could not only destroy her in his eyes and the eyes of society, but could also very well condemn her to Bedlam. Baron Endsleigh, Amelia's oldest friend, has other ideas. Ender has loved Amelia all his life. He knows her secrets, and they don't frighten him. He plans to come between Amelia and Charles in any way he can to prevent the marriage and finally claim Amelia for his own. Ender is determined and nothing can stop him. Not even a duke as powerful as Castleberry. That duke has hated Baron Endsleigh and wanted Amelia for, what seems to him, forever. Charles will stop at nothing to make her his, and his alone, even if that means destroying the one thing he knows she loves most in this world-Endsleigh. Will Amelia be able to choose when one man speaks to her mind and the other her heart? None of them will find happiness until they all three learn to embrace the absolute surrender. *****THE BOOKS IN THE LORDS OF TIME SERIES: THE RAKE AND THE RECLUSE : BOOK ONE in the Lords of Time SeriesAVAILABLE NOWTHE DUKE AND THE DOMINA : BOOK TWO in the Lords of Time SeriesAVAILABLE NOW for PREORDERRelease date: May 4th 2015THE DUKE AND THE BARON : a Lords of Time companion novel AVAILABLE NOWABSOLUTE SURRENDER has been nominated for BEST HISTORICAL and BEST MÉNAGE in the 2014 in the BOOKIE awards. This book contains a steamy M/F/M ménage romance that borders on erotic romance. There is no crossing of swords in this novel. In fact, these men can barely stand each other in the beginning, and only just admit to being friends in the end. While the very nature of ménage and a particular style of language tends to categorize books as erotic romance, that's not the case here. THIS VERSION IS NOT ILLUSTRATED

Great Britain, 1880 A woman out of time. A man stifled by propriety. A nemesis determined to take her away. A brother to the rescue. Francine Larrabee was a 21st century woman on a path bound for certain glory--until she lands in Victorian England and is nearly killed by a team of terrifying black horses led by a Duke who matches them in spirit and demeanor, and always seems to be cross. Though she is drawn to her rescuer, he wants nothing to do with her. Brother to The Duke of Roxleigh, the Lord Peregrine Trumbull, is Viscount Roxleigh in name, but a rake of the worst order by action.... until he meets his match in a girl who requires his complete submission, something he has never been familiar with. Lilly Steele was a simple country miss until she was kidnapped, brutally attacked and left for dead in the far reaches of Great Britain. Now she's escaped the aftermath and has asked Perry to do the untenable. She managed to recover her physical injuries... but the emotional scars run deep and will require absolute trust and healing from an altogether unlikely source. What is love? Where does it come from? Thorne Magnus Calder, heir to the Duke of St. Cyr, has been betrayed by his own heart. Watching the man he loves court the lovely Lady Alain was a pain so visceral he quit London for India. All Calder wanted was to put some distance between them and investigate the machinations of a group intent on establishing a skin trade in the heart of London. He didn't expect to be taken captive by a ghost. Lord Quintin Wyntor's heart has always belonged to Calder but a relationship with another man is a crime neither is willing to face and recent scrutiny only complicates their relationship. The strain drives a wedge between them--the physical manifestation of which effects his everyday life. As a man of honor, Quinn marries the very woman who drove that last wedge between he and Calder in order to save her. He never anticipated she would hand him the key to his own freedom. But when Calder receives word that Quinn and Celeste are married...It's a vow Calder refuses to break. Lady Alain forces Quinn to accept that his love for Calder cannot be denied and Quinn realizes that the risks they'll face together may not be as dangerous as their desolation as they attempt to survive apart. As Quinn chases Calder to India one thing is certain--Quinn will not return to England without the man he loves. If they can conquer their differences, together their little triumvirate may be given the grace to survive. This book is the story of Calder and Quinn and has their happily ever after with Celeste. The prequel is The Trouble With Grace--which has important elements of Calder and Quinn's story as well as Celeste's primary romance and HFN. This book is a gay romance and also contains important pieces of an autochorissexual romance (on the asexual spectrum). Both are explicit. Warning: this is not just a kissing book, it is so much more. Warning: You're going to fall in love, and it's going to hurt. The Spare and The Heir is the fifth full-length historical romance in the Lords of Time series.
