Louisa May Alcott's first novel, "The Inheritance". Susan Cheever in her biography, *Louisa May Alcott A Personal Biography* briefly mentioned Louisa's first novel, *The Inheritance*, written before she was twenty. Based upon the "gothic novel" formula of the day (poor orphan girl works on an English country estate for a fabulously wealthy family only to find out she is the true heir), Cheever felt the novel was significant, for although it is "written in girlish sentimental prose ...

remarkable career. The Inheritance, set in an English country manor, is the story of Edith Adelon, an Italian orphan brought to England by Lord Hamilton as a companion for his children. With a charm reminiscent of Jane Austen's novels, Alcott's plot sets love and courtesy against depravity and dishonor -- and with the help of a secret inheritance, allows virtue to prevail. In their Introduction, Joel Myerson and Daniel Shealy relate their fortuitous discovery of Alcott's manuscript draft of The Inheritance (preserved at the Houghton Library of Harvard). They explore the forces -- both literary and personal -- that shaped the novel, and study how it foreshadowed Alcott's later work. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Yearning for romance and adventure, strong-willed eighteen-year-old Rosamond Vivian is seduced by the wealthy Phillip Tempest and is forced to flee his violent tendencies

A revisionist profile of the author of "Little Women" and other classics draws on extensive research using Alcott's journals and correspondence to cover such topics as her embrace of untraditional roles and her early death.

A richly imagined, remarkably written story of the woman who created Little Women—and how love changed her in ways she never expected. Countless readers have fallen in love with Little Women. But how could the author—who never had a romance—write so convincingly of love and heartbreak without experiencing it herself? Deftly mixing fact and fiction, Kelly O'Connor McNees returns to the summer of 1855, when vivacious Louisa is twenty-two and bursting with a desire to free herself from family and societal constraints so she can do what she loves most. Stuck in small-town New Hampshire, she meets Joseph Singer, and as she opens her heart, Louisa finds herself torn between a love that takes her by surprise and her dream of independence as a writer in Boston. The choice she must make comes with a steep price that she will pay for the rest of her life.

Chapter I. CHRISTIE. "AUNT BETSEY, there's going to be a new Declaration of Independence." "Bless and save us, what do you mean, child?" And the startled old lady precipitated a pie into the oven with destructive haste. "I mean that, being of age, I'm going to take care of myself, and not be a burden any longer. Uncle wishes me out of the way; thinks I ought to go, and, sooner or later, will tell me so. I don't intend to wait for that, but, like the people in fairy tales, travel away into the world and seek my fortune. I know I can find it." Christie emphasized her speech by energetic demonstrations in the bread-trough, kneading the dough as if it was her destiny, and she was shaping it to suit herself; while Aunt Betsey stood listening, with uplifted pie-fork, and as much astonishment as her placid face was capable of expressing. As the girl paused, with a decided thump, the old lady exclaimed: "What crazy idee you got into your head now?" "A very sane and sensible one that's got to be worked out, so please listen to it, ma'am. I've had it a good while, I've thought it over thoroughly, and I'm

## Get Free The Inheritance Louisa May Alcott

sure it's the right thing for me to do. I'm old enough to take care of myself; and if I'd been a boy, I should have been told to do it long ago. I hate to be dependent; and now there's no need of it, I can't bear it any longer. If you were poor, I wouldn't leave you; for I never forget how kind you have been to me. But Uncle doesn't love or understand me; I am a burden to him, and I must go where I can take care of myself. I can't be happy till I do, for there's nothing here for me. I'm sick of this dull town, where the one idea is eat, drink, and get rich; I don't find any friends to help me as I want to be helped, or any work that I can do well; so let me go, Aunty, and find my place, wherever it is."

"I want something to do." This remark being addressed to the world in general, no one in particular felt it their duty to reply; so I repeated it to the smaller world about me, received the following suggestions, and settled the matter by answering my own inquiry, as people are apt to do when very much in earnest. "Write a book," quoth the author of my being. "Don't know enough, sir. First live, then write." "Try teaching again," suggested my mother. "No thank you, ma'am, ten years of that is enough." "Take a husband like my Darby, and fulfill your mission," said sister Joan, home on a visit. "Can't afford expensive luxuries, Mrs. Coobiddy." "Turn actress, and immortalize your name," said sister Vashti, striking an attitude. "I won't." "Go nurse the soldiers," said my young brother, Tom, panting for "the tented field." "I will!"

Relates the adventures of Ben Brown, his performing poodle Sancho, and the two young girls who feed and care for them after the boy and doy run away from the circus.

A group portrait of five Corcord, Massachusetts, writers whose works were at the center of mid-nineteenth-century American thought and literature evaluates their interconnected relationships, influence on one another's works, and complex beliefs. Reprint. 35,000 first printing.
