In this magnificent and stirring novel, Louis de Wohl turns his famed narrative skill to the story of the soldier and merchant's son who might have been right-hand man to a king ... and who became instead the most beloved of all saints. Set against the tempestuous background of 13th Century Italy and Egypt, here is the magnificent and inspiring story of Francis Bernardone, the brash, pleasure-loving young officer who was to become immortalized as St. Francis of Assisi. The story teems with action, pageantry and intrigue with finely conceived characters-the beautiful, saintly Clare, Frederick, the hawk-faced King of Sicily and Holy Roman Emperor, the Sultan Al Kamil, Pope Innocent III. Saint Francis Xavier's life is, in itself, a dramatic story. With humility and deep religious conviction, the famous Catholic novelist Louis de Wohl takes us into the mind and heart of this great missionary and saint who went by order of St. Ignatius of Loyola to "set all afire" in the Orient. Louis de Wohl captivates the reader as he follows Xavier's life from student days in Paris,

through his meeting with Ignatius, his rather reluctant conversion, and his travels as one of the first Jesuits. The story takes the reader from Europe to Goa, India, Malaysia, Japan, and finally, to an island off the coast of China, where the exiled Xavier dies virtually alone. The book captures the dramatic struggles and inspiring zeal of this remarkable saint, giving at the same time an enthralling picture of the age in which he lived.

As in his other popular novels, Louis de Wohl, with humility and deep religious conviction, takes us into the mind and heart of a saint, giving at the same time an enthralling picture of the era in which he lived. Here is a skillful weaving of the story of St. Ignatius Loyola's conversion and pilgrimage with the colorful and dangerous history of Spain and Italy in the early sixteenth century. The life of the very

human, very great Basque nobleman who founded the Jesuit Order, makes for one of de Wohl's finest novels. Seriously wounded at the siege of Pamplona in 1521, Don Inigo de Loyola learned that to be a Knight of God was an infinitely greater honor (and infinitely more dangerous) than to be a Knight in the forces of the Emperor. Uli von der Flue, humorous, intelligent and courageous Swiss mercenary, was responsible for the canon shot which incapacitated the worldly and ambitious young nobleman, and Uli became deeply involved in Loyola's life. With Juanita, disguised as the boy Juan, Uli followed Loyola on a pilgrimage to the Holy Land to protect him, but it was the saint who protected Uli and Juan. Through Uli's eyes we see the surge and violence of the turbulent period in Jerusalem, Spain and Rome. Louis de Wohl has again created an exciting and spiritually inspiring novel for all

Illustrated This volume in the Vision Books series of saints for youth combines a world famous Catholic novelist, Louis de Wohl, with one of the most thrilling and dramatic saint's lives in history, St. Joan of Arc. De Wohl uses his famed narrative skill to tell young people about the brave teenage French girl who had visions and led armies in battle, but also about how her entire life testifies to the amazing power of God's grace. It's all here: how Joan, a humble maiden in an insignificant town, was told by St. Michael the Archangel, St. Catherine, and St. Margaret to lead the French in battle against the English; how she finally succeeded in convincing the French of the truth of her mission; how she met with fantastic success but was betrayed, captured, and imprisoned; and finally, how she suffered through a politically motivated trial

for heresy and was burned at the stake. Best of all, de Wohl is not interested solely in the external details of Joan's life, but in Joan's all-encompassing love for God, which informed all her courageous actions from beginning to end. You'll not only thrill to Joan's heroism; your heart will delight in her example of loving surrender to God's will. Every detail of her life will ring out to you as a joyful witness to the grace of God.

Here is a novel that glistens with the imaginative and vivid drama that epitomized St. Augustine's tumultuous life, presented with a master story-teller's characteristic flair for graphic description, sensitive portraiture, and fascinating historical lore.

This panoramic novel of the last days of Christ ranges from the palaces of imperial Rome to the strife-torn hills of Judea-where the conflict of love and betrayal, revenge and

redemption, reaches a mighty climax in the drama of the Crucifixion. For this is the full story of the world's most dramatic execution, as it affected one of its least-known participants-the man who hurled his spear into Christ on the Cross. Among his many successful historical novels, Louis de Wohl considered *The Spear* the magnum opus of his literary career.
