The first volume in the landmark Marketplace Series, which set the standard for contemporary SM erotica. These books chronicle the adventures of those who live in an enticing world built on a slave-based hierarchy, where realistic characters are confronted with questions of trust and duty amidst an ambience of pain and eroticism. In this volume, four new trainees join the exquisite Marketplace slaves, struggling to prove their worthiness to the rigorous and unrelenting slave-master Chris Parker. This new edition also contains an original short story, a must for fans!

The third book in The Marketplace Series! The 3rd book in THE MARKETPLACE series brings us into the house of Anderson, the Trainer of Trainers, where Chris Parker and a few clients are in residence. Michael LaGuardia loves being part of the Marketplace and loves the sex slaves he regularly trains. After a couple of years in California, though, Michael thinks he is ready for a step up, an apprenticeship with Anderson. He s wrong. Michael arrives at Anderson s Brooklyn brownstone with a chip on his shoulder and promptly trips over his own, oversized ego. There are some very important lessons Michael needs to learn, about humility, respect, and even sex. Fortunately for him, he s come to the one place where he ll get those lessons beaten into him (metaphorically, of course)."

Book two in the Marketplace series, the contemporary classic BDSM series by Laura Antoniou. In The Slave, Robin wants to be a slave in the underground world of the Marketplace. She falls under the tutelage of the infamous trainer Chris Parker and spends an intense few weeks with him. Ten stories of BDSM, submission, and service set in the secret world of Laura Antoniou’s Marketplace. The Marketplace has fans all over the world, and Antoniou invited them to come play in her fictional sandbox/dungeon. Numbered among those fans happen to be some of the top erotica and alternative sexuality writers in the world, including D.L. King, Sassafras Lowrey, and Elizabeth Schechter. The full slate of writers contributing to NO SAFEWORDS runs the gamut of award-winning authors to bright-eyed new voices, as creator Laura Antoniou explains in her introduction: "As the saying goes, 'blessed are those who embellish the tale.' So here is the Marketplace, as seen through other eyes. There are some stories that show the world exactly as I created it, and some that push my boundaries a tad. There is romance and strife, glee and despair. There is hot sex, of course, but there's also humor and melodrama. Just the way I like it. "There were some surprises for me! I was delighted to find several female dominant/male submissive stories, especially since my examples of those relationships tend to be supporting, rather than main characters. I was also pleased by the writers who weren't afraid to go a little dark; a collection of stories all about slaves misbehaving in mildly inconvenient ways and getting fantastically, erotically punished would have been tiresome. "So whether you want a rollicking Victorian flavored tale of adventure and romance or a modern, sexy welcome to a new home for a familiar character, you will find flavors here to tempt or satisfy your tastes. Return for more time travel to a world where the language we so casually use to describe our tastes doesn't even exist, but where longing for a ritualized order and discipline and a sense of belonging transcends words, and gets expressed in the rich metaphor-and reality-of a garden. "Then swerve away from romance to feel the terror of a slave newly sold to an owner who represents their worst nightmare, whether because of demographics or the enormous challenge of a language barrier. "Here, you can get into the reflection of a trainer’s long career or the grief and anguish of a new owner confronted with an inherited house full of property she didn’t choose. Or, watch how even the jaded, experienced ways of the Marketplace aware people become awkward in that most awkward of adult challenges-a marriage proposal. Get a glimpse into the rarefied and formal household of an owner/spotter, and then take a detour to the desolate history of a young genderqueer punk fresh from the streets, confronted with the most iconic of Marketplace characters. All of this-a synthesis of my imagination and theirs, fed by culture, fantasy, fairy tales and fears. All fiction is, in a way, fan fiction. I am sorry it took so long for me to see this and to open myself to the interesting sensations-you might call it edge-play-in giving people access to my favorite victims. But better late than never!" The Marketplace (The Marketplace Series) (Volume 1) by ...

Mr. Global Leather has been murdered! In the Grand Sterling Hotel of Midtown Manhattan, home of the huge annual leather/BDSM/fetish ball and contest, Mr. & Ms. Global Leather, last year's male winner lies dead on the floor of his suite, wearing only very frilly, bright yellow panties. Cormac "Mack" Steel made a lot of enemies in his year wearing the studded leather sash, not the least being his co-winner Mistress Ravenfyre. But she is not alone — there are over three thousand attendees at this year’s fetish-festooned event from all over the world, some of whom might have had some very personal issues with the corpse. Enter Detective Rebecca Feldblum of the Midtown East Precinct. Assigned to this doozy of a case because, as one of NYC’s only out lesbian detectives, her Lieutenant seems to believe these are "her people." Shocked, amazed and alternately puzzled and amused, Detective Feldblum must navigate a world of doms and subs, masters and mistresses, pups and trainers, leather, latex and lingerie, and discover who murdered the late Mack Steel — and hopefully do it before the weekend is over and everyone goes home. In the process, she will discover more about the sexual underworld than she ever really wanted to know, and more about her own past than she could have ever imagined. Written in the classic spirit of Sharyn McCrumb’s Birmbos of the Death Sun, The Killer Wore Leather is both an engaging mystery and a humorous glimpse into the world of modern, pansexual international leather/BDSM contests and conferences. Only Laura Antoniou could write The Killer Wore Leather. In addition to being the author of the best-selling Marketplace series of erotic novels, she has over 20 years of experience teaching, speaking to and occasionally skewering the alt-sex communities around the world. With a wicked sense of humor, insider information and a twisted imagination, she crafts a spicy m é lange of mystery and mayhem! The Killer Wore Leather is a deliciously tongue-in-cheek murder mystery set at a leather convention, allowing readers into this private world of personalities and peccadiloes. The kinkiest game of clue ever with a sex toy as the murder weapon and every leather man and woman lacks an alibi. Cleverly crafted and highly humorous, Antoniou is at her wicked best in this pageturning fetish fest. Laura is the best-selling author of the classic BDSM series, THE MARKETPLACE, which has sold more than 400,000 copies and been translated into 5 languages.
