Finally, readers can put it all together and challenge themselves by creating simple scenes. Artists can work their way through the book to build their skills or pick and choose their favorite characters to draw. Either way, their drawing ability and confidence will soar!

One of the most recognizable features of anime is the eyes. They're big, they're expressive, and they're often exaggerated to show emotion. Anime eyes are only made up of a few basic shapes and they don't have a lot of detail, so they're actually pretty simple to draw. In this Master Guide To Drawing Anime book, you will discover the ways to make different eyes for your characters. Besides, you will also given many examples of many other ways to help you design your own characters. It is your day to start drawing attractive and beautiful eyes for your anime characters!

Learning to draw anime faces step by step is essential for every cartoonist, you may see it very complicated but the reason is the lack of practice and the technique you use, but today you can change that. With the tips and illustrations that I will show you, you will learn how to draw anime caracas like a professional. Here I show you step-by-step methods and techniques so that you can draw freely, you can use your imagination, and draw any position easily and simply. To start our drawing, we will need a pencil and paper, then we will get to work.
