A Nobel Peace Prize recipient canonized by the Catholic Church in 2003, Mother Teresa of Calcutta was celebrated by heads of state and adored by millions for her work on behalf of the poor. In his measured critique, Hitchens asks only that Mother Teresa’s reputation be judged by her actions—not the other way around. Explores the work of Mother Teresa, questioning her association with corrupt and cruel leaders and discussing the way wealthy western society promotes her as a celebrity

Recipient of the Nobel Peace Prize, feted by politicians, the Church and the world’s media. But what, asks Christopher Hitchens, makes Mother Teresa so divine?

“The popular tendency is to defy myths, gurus and personalities without investigating the claims thoroughly. Mother Teresa is one such name. Does Mother Teresa deserve her reputation as the most charitable person who ever lived ? This book makes for a gripping but disconcerting read.”--Publisher’s description.

Does Mother Teresa Deserve Her Reputations As The Most Charitable Person Of All Time: This Book Reveals The Real Teresa.

No woman alive today has inspired so many with her simplicity of faith and compassion so all-encompassing. As she daily embraces the “least of the least” in her arms, Mother Theresa challenges the whole world to greater acts of service and understanding in the name of love. First published in 1971, this classic work introduced Mother Theresa to the Western World. As timely now as it was then, Something Beautiful for God interprets her life through the eyes of a modern-day skeptic who became literally transformed within her presence, describing her as “a light which could never be extinguished.”

At seventeen, Mary Johnson saw a photo of Mother Teresa on the cover of TIME magazine, and experienced her calling. Eighteen months later she entered a convent in the South Bronx, to begin her religious training. Not without difficulty, this boisterous, independent-minded teenager eventually adapted to the sisters’ austere life of poverty and devotion, but beneath the white-and-blue sari an ordinary woman faced the struggles we all share, with the desires of love and connection, meaning and identity. During her years as a Missionary of Charity, Mary Johnson rose quickly through the ranks and came to work alongside Mother Teresa. Mary grapped with her faith, her desires for intimacy, the politics of the order and her complicated relationship with Mother Teresa. Finally, she made the hard, life-changing decision to leave the order to find her own path, and eventually to leave the Church altogether. The story of this compellingly honest woman will speak to anyone who has ever grappled with the mysteries and wonders of life and faith.
