How long should a well-prayed Rosary take? What are the graces attached to praying the Rosary? How can I become a champion of the Rosary? Our Lady needs Rosary champions to help bring peace in the world. Will you answer her call to prayer?

This historic apostolic letter from Pope John Paul II broadens the traditional pattern of the rosary to include the mysteries of light-five reflections on Christ's public ministry between his Baptism and his

Passion.

Few questions of history have as many contemporary political implications as this deceptively simple one: how did capitalism come to be? In this clarifying work, Ellen Meiksins Wood refutes most existing accounts of the origin of capitalism, which, she argues, fail to recognize capitalism's distinctive attributes as a social system, making it seem a culmination of a natural human inclination to sell and buy. Wood begins with searching assessments of classical thinkers ranging from Adam Smith to Max Weber. She then explores the great Marxist debates among writers such as Paul Sweezy, Maurice Dobb, Robert Brenner, Perry Anderson, and E. P. Thompson. She concludes with her own account of capitalism's agrarian origin, challenging the association of capitalism with cities, the identification of "capitalist" with "bourgeois," and conceptions of modernity and postmodernity derived from those assumptions. Only with a proper understanding of capitalism's beginning, Wood concludes, can we imagine the possibility of it ending.

BIOGRAPHERS have already told us much about St. Louis De Montfort and the Rosary; now, with this first English edition of THE SECRET OF THE ROSARY, we can listen to Montfort speaking for himself. Drawing upon his own experience as well as upon the experience of others, he endeavors to bring home to the reader, " in a simple and straightforward manner, " as he himself tells us, the authentic message of the Rosary; namely, that it is a veritable school of Christian life. He sees it as including essentially the meditation of the mysteries of the life, death and glory of Jesus and Mary, with a view not only to honoring but especially imitating their virtues as held up to our consideration in each mystery.
