finest aromatic ingredients from all over the world and creating artisanal fragrances, she has been an evangelist for the transformative power of scent. In *Fragrant*, through five major players in the epic of aroma, she explores the profound connection between our sense of smell and the appetites that move us, give us pleasure, make us fully alive. She imparts the essentials of scent literacy and includes recipes for easy-to-make fragrances and edible and useful concoctions.

Marcel Lavabre's classic Aromatherapy Workbook provides the most comprehensive practical guide to the history, folklore, science, and art of aromatherapy available today. Examining the origins and applications of aromatics, from the mythical Queen of Sheba to René-Maurice Gatefossé, the author traces the medical, alchemical, and spiritual development of this healing art from classical civilizations up to the present. He explains the mysteries of the olfactory system and how this most ancient sensory system affects our moods, our
