Now an AMC miniseries • The acclaimed novel from the #1 New York Times bestselling author of A Legacy of Spies and Tinker, Tailor, Soldier, Spy John le Carré, the legendary author of sophisticated spy thrillers, is at the top of his game in this classic novel of a world in chaos. With the Cold War over, a new era of espionage has begun. In the power vacuum left by the Soviet Union, arms dealers and drug smugglers have risen to immense influence and wealth. The sinister master of them all is Richard Onslow Roper, the charming, ruthless Englishman whose operation seems untouchable. Slipping into this maze of peril is Jonathan Pine, a former British soldier who ’ s currently the night manager of a posh hotel in Zurich. Having learned to hate and fear Roper more than any man on earth, Pine is willing to do whatever it takes to help the agents at Whitehall bring him down—and personal vengeance is only part of the reason why. Praise for The Night Manager “ A splendidly exciting, finely told story . . . masterly in its conception. ” —The New York Times Book Review “ Intrigue of the highest order. ” —Chicago Sun-Times “ Richly detailed and rigorously researched . . . Le Carré ’ s gift for building tension through character has never been better realized. ” —People “ Grimly fascinating, often nerve-wracking, and impossible to put down. ” —Boston Herald

In The Night Manager, John le Carré’s first post-Cold War novel, an ex-soldier helps British Intelligence penetrate the secret world of ruthless arms dealers. ‘Le Carré is the equal of any novelist now writing in English’ Guardian ‘A marvellously observed relentless tale’ Observer At the start of it all, Jonathan Pine is merely the night manager at a luxury hotel. But when a single attempt to pass on information to the British authorities - about an international businessman at the hotel with suspicious dealings - backfires terribly, and people close to Pine begin to die, he commits himself to a battle against powerful forces he cannot begin to imagine. In a chilling tale of corrupt intelligence agencies, billion-dollar price tags and the truth of the brutal arms trade, John le Carré creates a claustrophobic world in which no one can be trusted. ‘Complex and intense ... page-turning tension’ San Francisco Chronicle ‘When I was under house arrest I was helped by the books of John le Carré ... they were a journey into the wider world ... These were the journeys that made me feel that I was not really cut off from the rest of humankind’ Aung San Suu Kyi ‘One of those writers who will be read a century from now’ Robert Harris ‘He can communicate emotion, from sweating fear to despairing love, with terse and compassionate conviction’ Sunday Times (on The Spy Who Came in from the Cold) ‘Return of the master . . . Having plumbed the devious depths of the Cold War, le Carré has done it again for our nasty new age’ The Times (on Our Kind of Traitor)

Either we make you rich or we make you dead. On a bleak January night at the outbreak of the Gulf War, Mr. Richard Onslow Roper, a very special visitor, arrives with his entourage at a Zurich hotel. The night manager, Jonathan Pine, recognizes him immediately—and prays that the identification is not mutual. Welcome to the new era of espionage, where the habits and rules forged in the darkest days of the Cold War are applied to an even more harrowing end. This is Roper’s world—a world of illegal arms dealers and drug smugglers, men whose ruthlessness is matched only by their hunger for unlimited wealth. Enter Leonard Burr, former British intelligence officer turned international policeman. Burr recruits Pine to his cause, and launches him on an undercover odyssey that takes him from Zurich to the desolate coast of Cornwall, and eventually to a village in Quebec where he obtains the identity that will be his tickets of entry to Roper’s island hideaway in the Bahamas. In what is perhaps John le Carré’s greatest work to day, The Night Manager brings to life a whole new era of intrigue, brilliantly conceived by the undisputed master of the genre.
