A level 3 Oxford Bookworms Library graded reader. This version includes an audio book: listen to the story as you read. Retold for Learners of English by Tim Vicary. On a September day in 1821, in the church of a Yorkshire village, a man and six children stood around a grave. They were burying a woman: the man's wife, the children's mother. The children were all very young, and within a few years the two oldest were dead, too. Close to the wild beauty of the Yorkshire moors, the father brought up his young family. Who had heard of the Brontës of Haworth then? Branwell died while he was still a young man, but the three sisters who were left had an extraordinary gift. They could write marvellous stories – Jane Eyre, Wuthering Heights, The Tenant of Wildfell Hall . . . But Charlotte, Emily, and Anne Brontë did not live to grow old or to enjoy their fame. Only their father was left, alone with his memories.

A level 6 Oxford Bookworms Library graded reader. This version includes an audio book: listen to the story as you read. Retold for Learners of English by Clare West. Jane Eyre is alone in the world. Disliked by her aunt's family, she is sent away to school. Here she learns that a young girl, with neither money nor family to support her, can expect little from the world. She survives, but she wants more from life than simply to survive: she wants respect, and love. When she goes to work for Mr Rochester, she hopes she has found both at once. But the sound of strange laughter, late at night, behind a locked door, warns her that her troubles are only beginning.

This special edition of The Oxford Companion to the Brontës commemorates the bicentenary of Emily Brontë's birth in July 1818 and provides comprehensive and detailed information about the lives, works, and reputations of the Brontës - the three sisters Charlotte, Emily, and Anne, their father, and their brother Branwell. Expanded entries surveying the Brontës' lives and works are supplemented by entries on friends and acquaintances, pets, literary and political heroes; on the places they knew and the places they imagined; on their letters, drawings and paintings; on historical events such as Chartism, the Peterloo Massacre, and the Ashantee Wars; on exploration, slavery, and religion. Selected entries on the characters and places in the Brontë juvenilia provide a glimpse into their early imaginative worlds, and entries on film, ballet, and musicals indicate the extent to which their works have inspired others. A new foreword to the text has been also penned by Claire Harman, award-winning writer and literary critic, and recent biographer of Charlotte Brontë. This is a unique and authoritative reference book for the research student and the general reader. The A-Z format, extensive cross-referencing, classified contents, chronologies, illustrations, and maps, both facilitate quick reference and encourage further exploration. This Companion is not only invaluable for quick searches, but a delight to browse, and an inspiration to further reading.
